Monthly Activities Report

May 2026

Message from the President

I am delighted to present the May 2026 Activities Report, reflecting another meaningful month of learning, care, community engagement, and positive impact at Mahesh Foundation. The month was marked by the joyful reopening of Utkarsha School, where nearly 500 newly admitted children began their academic journey with excitement, hope, and renewed aspirations for a brighter future.

Through engaging summer camp activities, children experienced joyful and practical learning beyond classrooms through visits to Shantai Vriddhashrama, Belagavi Airport, KSCA Cricket Stadium, and the Parle-G Biscuit Factory. These experiences encouraged curiosity, confidence, empathy, and emotional bonding, while creative competitions, counselling sessions, health check-ups, and leadership activities supported their holistic development and well-being.

Our MyBlood Charitable Blood Bank continued its life-saving mission through successful blood donation camps organised in collaboration with community organisations and educational institutions, inspiring voluntary blood donation and social responsibility among citizens and youth.

The month also witnessed meaningful visits from government officials, educational institutions, healthcare groups, and social organisations, strengthening awareness, collaboration, and community participation. Awareness programmes, health camps, POSH training sessions, and interactive engagements further reflected our commitment towards creating a safe, inclusive, and socially responsible environment for children, women, and the community.

I sincerely thank our donors, volunteers, staff members, partners, and well-wishers whose continuous support empowers us to transform lives and create lasting impact every day.

With warm regards,

Mahesh Jadhav
