

Monthly Activities Report

January 2026

Mahesh Foundation

We Care for Uncared

A Message From President

I am delighted to share the January 2026 Activities Report, a month filled with celebration, learning, awareness, and meaningful engagement.

We were proud to witness the handover of the Mobile Computer Lab supported by Multi Commodity Exchange Clearing Corporation Ltd. This initiative will significantly advance digital inclusion and strengthen digital literacy for needy children. We are deeply grateful for MCXCCL's valuable support and commitment to social development.

The inauguration of the newly established playground at The Hillside School was another highlight of the month. We were honored to welcome Shri Nagesh Mundas, Regional Transport Officer, Belagavi; Shri Sharanappa Huggi, Superintendent RTO Officer, Belagavi; and Mr. Ajay Kadli, Principal, Bharat Driving School, Belagavi. The event included an engaging road safety and awareness session, inspiring our volunteers and staff to practice and promote responsible road behavior.

At Utkarsha School, students participated in a variety of educational, cultural, and experiential activities that nurtured creativity, patriotism, life skills, and cultural awareness. Celebrations such as New Year, Republic Day, and the birth anniversaries of great leaders inspired students to reflect on values of courage, equality, and social responsibility. Skill-based learning experiences and community visits further enriched their understanding beyond textbooks.

At the Care Home, children actively engaged in life skill education sessions, health awareness programs, counselling, outdoor activities, and festive celebrations. Regular meetings, training sessions, and health check-ups ensured their overall well-being and emotional development.

Mahesh Foundation's MyBlood initiative also made a meaningful impact this month. In addition to regular donations at the center, we successfully conducted a Blood Donation Camp at BSc – The Textile Mall, Belagavi, where community members and volunteers actively participated. These donations help ensure timely support for patients in need and strengthen the availability of safe blood during medical emergencies. We extend our heartfelt gratitude to our donors, partners, staff, volunteers, and well-wishers whose continuous support inspires us to create meaningful change and nurture brighter futures for the children and communities we serve.

With warm regards,

Mahesh Jadhav

President, Mahesh Foundation

Education

Utkarsha School

During January, Mahesh Foundation's Utkarsha School continued its efforts to provide free, quality, and skill-based education to underprivileged children, fostering a positive and engaging learning environment for their academic and overall development.

Students participated in various educational and cultural activities, including New Year celebrations, prize distribution, Swami Vivekananda Jayanti, Savitribai Phule Jayanti, Subhas Chandra Bose Jayanti, and the 77th Republic Day. Experiential learning activities such as a marketing activity and a pottery visit enriched students' practical understanding and creativity. These initiatives helped nurture confidence, values, and life skills among the children.

Utkarsha School

1. A prize distribution ceremony honored winners of the academic year's sports competitions, encouraging teamwork, discipline, and sportsmanship.

2. Swami Vivekananda Jayanti was observed with reverence, and students visited the Ramakrishna Mission Ashrama and Kamala Basadi, gaining inspiration from spiritual and cultural heritage.

3. The birth anniversary of Savitribai Phule was commemorated, highlighting her pioneering contribution to education and social justice.

4. A hands-on marketing activity provided students experience in buying and selling, developing basic financial, communication, and decision-making skills.

5. On Subhas Chandra Bose Jayanti, students learned about the life and ideals of the great leader, fostering courage and patriotism.

6. The 77th Republic Day was celebrated with great enthusiasm, instilling national pride.

7. As part of experiential learning, students explored the art of pottery by visiting a potter's home, enhancing creativity while connecting with India's cultural traditions.

Health

Care Home

As part of the care home's efforts to support the holistic development and well-being of children, a range of educational, recreational, and supportive activities were conducted during January 2026. A Children's Committee meeting and staff meeting encouraged participation, responsibility, and coordination, while regular monthly health check-ups ensured physical well-being.

Children engaged in interactive activities such as number games and Fun with Glass, and attended Life Skill Education and Youth Enablement sessions for guidance and personal growth. Counselling sessions by Anjali Pandit Madam supported emotional well-being. Cultural and experiential activities included Makara Sankranti celebrations, a health awareness session by Dr. Fayaz Javali, outdoor visits to Kamalabasti and Ramakrishna Ashram, and a New Year Resolution activity, encouraging reflection and goal-setting for the year ahead..

Ashakiran Care Home

1. Life Skill Education (LSE) sessions were conducted by Neeta Mam from Miracle Foundation, empowering children with essential competencies.

2. A Youth Enablement session was organized for reintegrated children, while staff received training on LSE to enhance child care quality.

3. Makara Sankranti was celebrated with joy and togetherness, honoring cultural traditions.

4. Dr. Fayaz Javali conducted an engaging health awareness session, highlighting the importance of healthy habits.

5. Outdoor visits to Kamalabasti and Ramakrishna Ashram provided enriching experiential learning.

6. A New Year Resolution activity encouraged children to set positive goals for the year.

7. Children's Committee meetings encouraged participation and leadership among children.

8. Staff meetings strengthened coordination and planning for effective child care.

9. Regular monthly health check-ups ensured the physical well-being of all children.

10. Children participated in creative activities like number games and Fun with Glass, promoting cognitive and creative development.

11. Counselling sessions by Anjali Pandit Madam supported emotional well-being.

MyBlood Charitable Blood Center

In the month of January, Mahesh Foundation's MyBlood Charitable Blood Center witnessed encouraging support from the community, with many donors voluntarily coming forward to donate blood. In addition to regular donations at the center, we successfully conducted a Blood Donation Camp at BSc – The Textile Mall, Belagavi, where community members and volunteers actively participated in this life-saving initiative.

Each donation collected during the month will support patients in hospitals, ensuring timely access to safe blood during medical emergencies and critical treatments. These voluntary contributions play a vital role in saving lives, strengthening community healthcare, and reflecting the compassion and social responsibility of our supporters.

Mahesh Foundation's MyBlood Charitable Blood Center received encouraging support from the community, with many donors voluntarily donating blood.

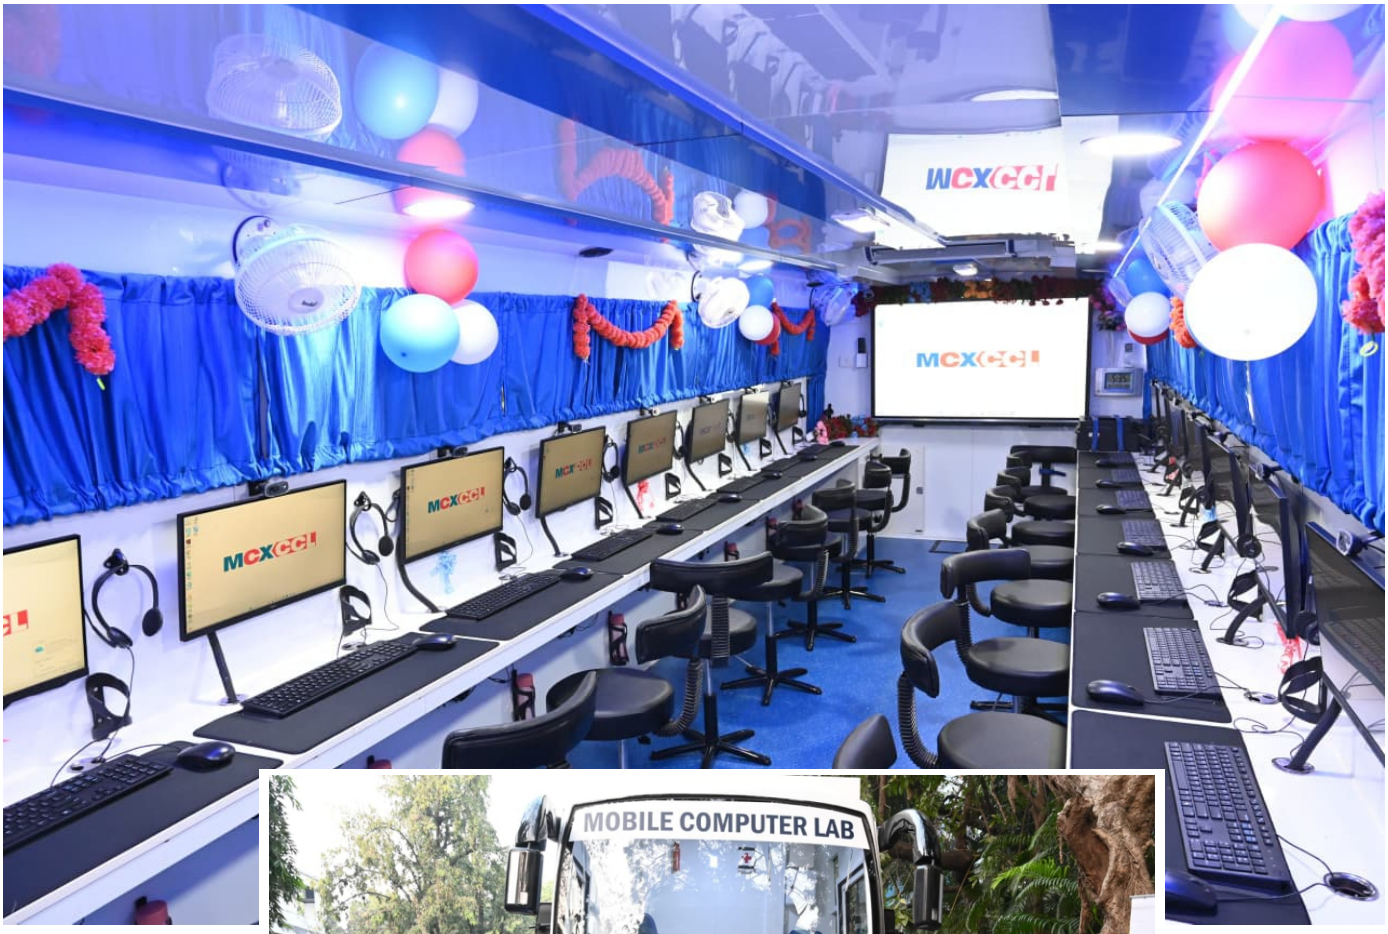
In addition to regular donations at the center, a Blood Donation Camp was conducted at BSc – The Textile Mall, Belagavi.

Visits & Events

During the month of January 2026, Mahesh Foundation witnessed several significant visits and events that strengthened its initiatives and community engagement. The Mobile Computer Lab supported by Multi Commodity Exchange Clearing Corporation Ltd. was officially handed over to Mahesh Foundation, marking an important step toward promoting digital literacy among 4,800 students across 40 government schools in Belagavi.

The Foundation also inaugurated the newly established playground at The Hillside School in the presence of Shri Nagesh Mundas, Shri Sharanappa Huggi, and Mr. Ajay Kadli, along with an informative road safety and awareness session. In addition, MSW students from Kalaburgi visited Mahesh Foundation, gaining valuable insights into social responsibility and community service:

An auspicious beginning to the New Year at Mahesh Foundation, where staff, volunteers, and children enthusiastically celebrated with cultural performances, spreading happiness, festive cheer, excitement, and renewed hope for a brighter year ahead.



The Mobile Computer Lab handover by MCXCCL marked a major step towards digital inclusion for 4,800 students across 40 government schools in Belagavi.

The playground inauguration at The Hillside School was attended by Shri Nagesh Mundas, Shri Sharanappa Huggi, and Mr. Ajay Kadli, featuring a road safety and awareness session.

MSW students from Kalaburgi visited Mahesh Foundation as part of their social responsibility initiative, gaining insights into community service and impactful social interventions.
