Monthly Activities Report September 2024

A Message From President

At Mahesh Foundation, we continue to be driven by our mission to uplift and empower the underprivileged. This past season has been filled with meaningful celebrations and impactful initiatives in September 2024. From the joyous Ganesh Chaturthi festival, where children and staff united in devotion, to our school kit distribution programs reaching hundreds of children across Belagavi, our commitment to education remains steadfast.

We are also proud of our growing efforts in raising awareness about HIV/AIDS and social responsibility, especially through collaborations like the one with the BE Department of Gogte Institute of Technology. These programs emphasize the role that each individual can play in shaping a more inclusive and compassionate society.

Our work in women empowerment and child protection has also seen significant strides. The visits from partners such as SKDRDP, SBI Funds Management, and Brother International have reinforced our efforts, enabling us to provide better education and support for hundreds of children.

As we move forward, these partnerships will continue to play a crucial role in expanding our initiatives, ensuring that we reach even more communities in need. Together, we are not just transforming individual lives, but also building a brighter and more equitable future for everyone.
