Monthly Activities Report

October 2026

Message from the President

I am delighted to present the October 2026 Activities Report, highlighting another month of meaningful progress in education, healthcare, child development, and community engagement at Mahesh Foundation.

During the month, Utkarsha School resumed its regular academic activities following the Dasara vacations, enabling children to continue their learning journey and work towards their educational goals.

At Ashakiran Care Home, children participated in a variety of activities focused on their physical health, emotional well-being, creativity, confidence, and social development. Health check-ups, individual counselling, children's and staff meetings, computer classes, theatre workshops, indoor activities, outdoor visits, and festive celebrations provided opportunities for learning, self-expression, and joyful experiences.

Our MyBlood Charitable Blood Bank continued to promote voluntary blood donation through camps organized in collaboration with Shodha Toyota Showroom, Belagavi; Pranav Teja Engineers Pvt. Ltd., Uchagaon; and Hindalco Industries Limited, Belagavi. These initiatives encouraged community participation and strengthened the collective effort to support patients requiring blood for emergencies, surgeries, and critical treatments.

The month also witnessed meaningful Visits & Events, including a Meet and Greet programme to recognize our long-standing individual donors, a visit by members of BNI Diamonds Chapter, Hubli-Dharwad and Belagavi, and the celebration of Ayudha Pooja. Educational visits by MBA students of KLS Gogte Institute of Technology and students of Shri Guru College of Nursing provided opportunities to create awareness about our initiatives, HIV/AIDS, social responsibility, and compassionate care for vulnerable communities.

I sincerely thank our donors, CSR partners, volunteers, staff members, and well-wishers for their continued support and cooperation. Together, we remain committed to empowering children, supporting vulnerable communities, promoting healthcare, and building a brighter and more inclusive future.

With warm regards,

Someshekhar Belagavi

President, Mahesh Foundation
