

Monthly Activities Report

December 2025

**Mahesh
Foundation**

We care for Uncared

A Message From President

I am delighted to share the December 2025 Activities Report, a month marked by learning, celebration, and meaningful interactions. We were honored to welcome Dr. Sneha C.V. (IAS), Director, Directorate of Child Protection, Bengaluru; Ms. Halima K., Project Director; and DCPO Dr. Parveen, whose visit reinforced the significance of our work in child care and protection.

At Utkarsha School, children engaged in fun and interactive activities, including Maths games, time learning, and shape sorting, fostering curiosity and critical thinking. The Utkarsha School Annual Day highlighted students' achievements and the dedication of our teaching staff. Recreational activities such as hopscotch, the Anmol Dhamaka program, and a one-day picnic to Siddeshwar Temple brought joy and experiential learning.

This month also welcomed students from Government Saraswati Girls' Pre-University College, Belagavi, and Jyoti Central School, who experienced our initiatives firsthand. Children's Committee meetings, staff meetings, monthly health check-ups, and counselling sessions ensured holistic development, wellbeing, and leadership opportunities for every child.

Additionally, Mahesh Foundation proudly celebrated 18 years of service, acknowledging the constant encouragement and support of our donors, partners, and well-wishers. Their trust continues to inspire us to create lasting impact and nurture brighter futures for the children we serve.

With warm regards,

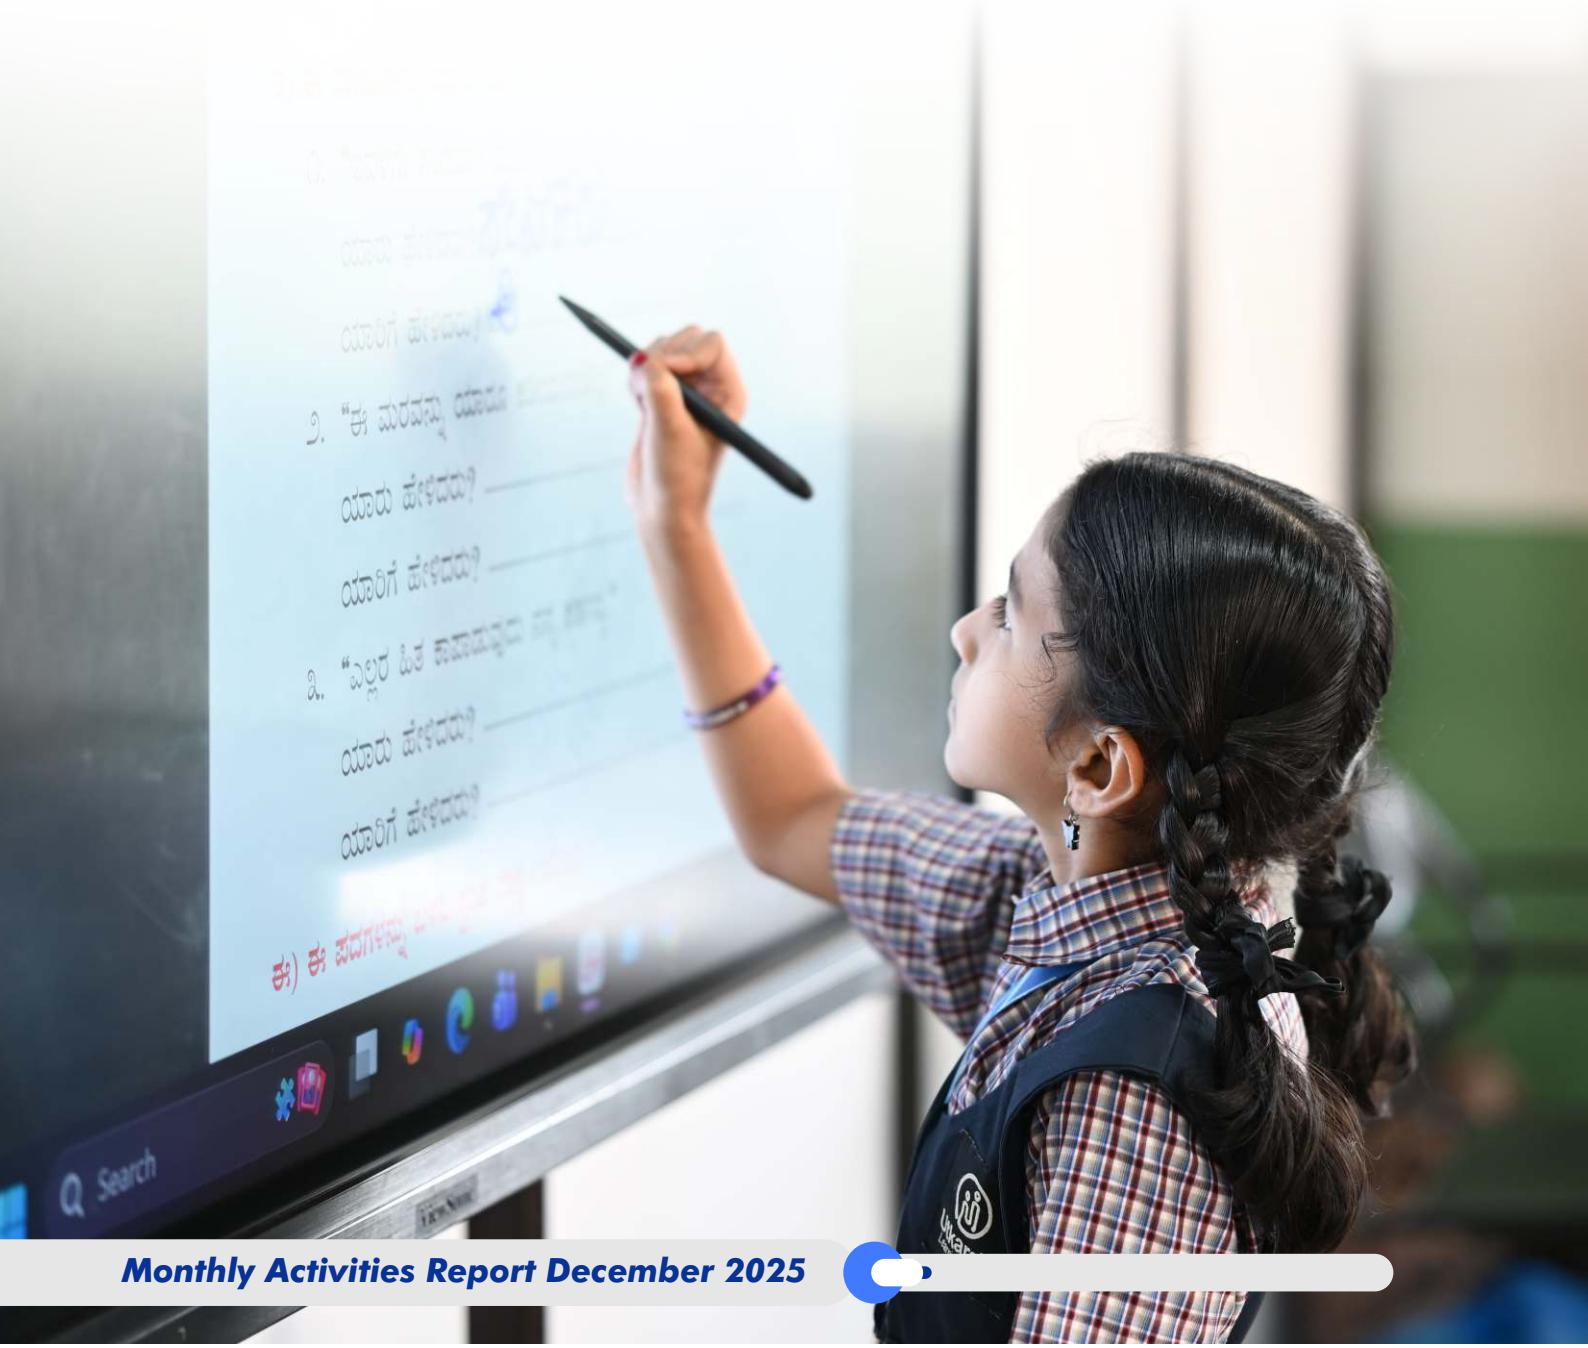

Mahesh Jadhav
President, Mahesh Foundation

Utkarsha School

During the month of December, Mahesh Foundation's Utkarsha School continued to make steady progress in its efforts to provide free, quality, skill-based education to underprivileged children. The school focused on creating a positive and engaging learning environment that supports both academic growth and overall development of the students. As part of these ongoing initiatives, a fun and interactive Maths Activity was conducted to strengthen students' understanding of mathematical concepts through games, puzzles, and hands-on learning methods, making the subject more enjoyable and practical.

In addition, the Utkarsha School Annual Day was celebrated with great enthusiasm, giving students a platform to showcase their talents and build confidence.

Learning became joyful and engaging as students participated enthusiastically in the fun and interactive Maths Activity at Utkarsha School.

 was celebrated with great enthusiasm,
 showcasing students' talents, confidence, and overall development.

Ashakiran Care Home

As part of the care home's continuous efforts to support the holistic development, well-being, and happiness of the children, a range of educational, recreational, and supportive activities were conducted during the month of December. A Children Committee meeting and a staff meeting were organized to encourage participation, responsibility, and effective coordination in daily care.

Regular monthly health check-ups were carried out to ensure the physical well-being of all children. Learning was made engaging through play-based activities such as Hopscotch, time learning, and shapes sorting, which helped enhance motor skills and cognitive development. The children also attended the Anmol Dhamaka program, providing them with joyful exposure and entertainment. Emotional and mental well-being was further supported through counselling sessions conducted by Anjali Pandit Madam. In addition, a Christmas activity was celebrated with enthusiasm, spreading joy and creativity among the children.

The month concluded with a refreshing one-day picnic to Siddeshwar Temple, offering the children a meaningful outing and an opportunity to relax and bond together.

Hopscotch fun activity brought smiles while enhancing balance, coordination, and teamwork.

Time learning activity helped children understand time concepts in an interactive and engaging way.

Shapes sorting activity encouraged cognitive development and problem-solving skills among children.

Christmas activity was celebrated with joy, creativity, and festive cheer among the children.

- **Children actively participated in the Children Committee Meeting, learning responsibility and teamwork.**
- **Regular monthly health check-ups were conducted to ensure the physical well-being of every child.**
- **A staff meeting was held to strengthen coordination and improve quality care for the children.**
- **Children enthusiastically attended the Anmol Dhamaka program, enjoying a day filled with joy and entertainment.**
- **Counselling sessions conducted by Anjali Pandit Madam supported the emotional well-being of the children.**
- **A one-day picnic to Siddeshwar Temple provided children with a refreshing and memorable experience.**

MyBlood Charitable Blood Center

In the month of December, Mahesh Foundation's MyBlood Charitable Blood Center witnessed encouraging support from the community, with many donors voluntarily coming forward to donate blood. In addition to regular donations at the center, MyBlood successfully organized a Blood Donation Camp at The Belgaum Aqua Valves Pvt. Ltd., where employees and volunteers actively participated in this life-saving initiative. The blood collected during the month is utilized for needy patients in hospitals, ensuring timely support during medical emergencies and critical treatments.

These voluntary donations play a vital role in saving lives and strengthening the availability of safe blood for those in need, reflecting the community's compassion and commitment toward humanity.

MyBlood & Jain Degree College Organize Successful Blood Donation Camp in Garlagunji Village

- Each voluntary blood donation contributes to saving lives and strengthening community healthcare.
- During December, many donors voluntarily donated blood at Mahesh Foundation's MyBlood Charitable Blood Center, supporting the cause of saving lives

Visits & Events

Mahesh Foundation continues to provide opportunities for learning and social awareness by engaging students, dignitaries, and community groups in meaningful discussions and activities focused on social responsibility. Mahesh Foundation witnessed an exciting and enriching month with the presence of esteemed dignitaries and enthusiastic student groups.

Dr. Sneha C.V (IAS), Director of the Directorate of Child Protection, Bengaluru, along with **Ms. Halima K., Project Director,** and **DCPO Dr. Parveen,** visited the Foundation and appreciated its child-centric initiatives focused on holistic development.

The Foundation was also honored by the visit of **Shri Basavant Patil, Chief Administrative Officer and Chief Information Security Officer (CISO), Aequs Ltd.,** who graced the Utkarsha School Annual Day as the Chief Guest. Adding to the lively atmosphere, students from Government Saraswati Girls' Pre-University College, Belagavi, and Jyoti Central School visited the Foundation, gaining meaningful insight into social responsibility and community service. Marking a proud milestone of 18 years of dedicated service, Mahesh Foundation celebrated the occasion by expressing heartfelt gratitude to all supporters and well-wishers who have been part of its journey.

DCPO Dr. Parveen, visited Mahesh Foundation to review initiatives for the holistic development of children.

On completing 18 years, Mahesh Foundation celebrated the milestone by acknowledging the encouragement and goodwill of its supporters.

Shri Basavant Patil, Chief Administrative Officer and Chief Information Security Officer (CISO) of Aequs Ltd., graced Mahesh Foundation as the Chief Guest during the Annual Day celebrations of Utkarsha School.

Students from Government Saraswati Girls' Pre-University College, Belagavi, visited Mahesh Foundation to explore and learn about our programs and initiatives.

Mahesh Foundation hosted students of Jyoti Central School for an enriching educational visit, offering them exposure to our activities and learning initiatives.
