We care for Uncared

A Message From President

As we stepped into a New Year, January 2025 has been a month of significant progress and impactful activities at Mahesh Foundation. Our Utkarsha School and Astrokidz Pre-Primary thrived with celebrations of learning, culture, and leadership, honoring figures like Savitribai Phule, Swami Vivekananda, and Subhash Chandra Bose. Vibrant Annual Day celebrations showcased student talent, while academic enrichment activities.

At our Care Home, we focused on empowering our children through career counseling, creative activities, and leadership opportunities. Our MyBlood initiative, in partnership with various organizations, collected over 200 units of blood, demonstrating the life-saving impact of community collaboration.

This month also saw a strong emphasis on social responsibility and awareness. We welcomed students from several institutions for sessions on HIV/AIDS awareness, adolescent education, and social engagement, fostering compassion and inclusivity. The inspiring visit from Kranti Mahila Mandal and Uma Sangeet Shale reinforced the importance of our long-term partnerships.

The achievements of January are a testament to the dedication of our team, the generosity of our donors, and the unwavering support of our community. As we move forward in 2025, we remain committed to our mission, driven by the belief that together, we can create a brighter future for all. Thank you for being an integral part of the Mahesh Foundation family.

Warm regards,

Mahesh Jadhav

Utkarsha

At Mahesh Foundation's Utkarsha School and Astrokidz Pre-Primary, we celebrated learning, cultural diversity, and the enduring legacies of great leaders in January 2025. The school observed the birth anniversary of Savitribai Phule, India's first female teacher and a pioneering social reformer. On National Youth Day, inspired by Swami Vivekananda's teachings. Similarly, the celebration of Subhash Chandra Bose Jayanti inspired students with the life and ideals of one of India's greatest freedom fighters.

The Annual Day celebrations at Astrokidz and Utkarsha School were vibrant showcases of talent and achievements. Students across all grades performed colorful dances, skits, and songs, leaving the audience spellbound with their energy and enthusiasm. In addition to cultural festivities, Utkarsha School has emphasized academic enrichment through engaging activities. Students explored the lives of Nobel Laureates and social reformers.

Interactive science sessions brought concepts like force and pressure to life, allowing children to grasp practical applications of theoretical ideas. These events and activities together reflect the schools' commitment to nurturing holistic development, blending knowledge, culture, and values for a brighter future.

Care Home

Mahesh Foundation continues to empower children through a blend of educational, creative, and engaging activities. A career counseling session was organized for 10th-class students, guiding them to make informed decisions about their future. The session provided insights into diverse career opportunities, answered queries, and motivated students to set clear goals, laying a strong foundation for their professional journeys.

The children also participated in a range of activities designed to nurture their creativity, teamwork, and critical thinking. A fun Glass Passing game promoted coordination and communication, while a vibrant craft activity encouraged them to explore their artistic abilities and attention to detail. A thought-provoking debate competition provided a platform for children. Additionally, the Children's Committee meeting empowered the children to voice their opinions, discuss concerns, and take on leadership roles.

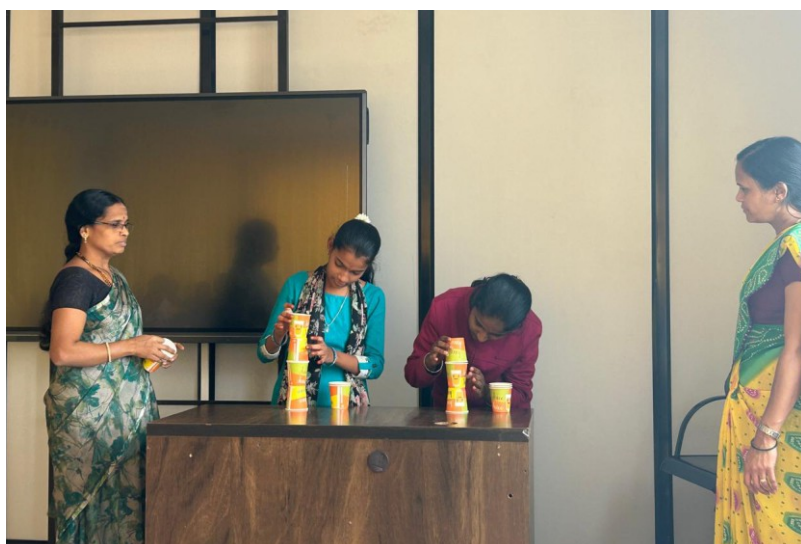

Through these diverse initiatives, Mahesh Foundation continues to provide a holistic environment that cultivates learning, creativity, and leadership, helping children grow into confident, thoughtful, and empowered individuals.

MyBlood

MyBlood Charitable Blood Bank, a vital initiative of Mahesh Foundation, has been at the forefront of life-saving efforts through a series of impactful blood donation camps. With compassionate donors stepping forward, over 200 units of blood were collected in recent drives, potentially saving the lives of more than 600 patients in need of urgent transfusions.

Several successful collaborations made these drives possible. In partnership with IP Nagar Residents, a blood donation camp inspired the local community to engage in this life-saving mission. Similarly, on Republic Day, a camp organized in collaboration with B.S. Channabasappa & Sons. Another remarkable initiative, held at Belagavi Airport in partnership with the Airport Authority of Belagavi.

These efforts highlight the collective power of compassion and collaboration, where every donor becomes a hero in the fight to save lives. Together, through selfless contributions, the community has made a profound impact on health and recovery, reinforcing the importance of blood donation as a truly life-saving act.

VISITS & EVENTS

In our efforts to promote social responsibility and awareness, we recently hosted several meaningful visits. Sociology students from KLE Lingaraj College and Sangolli Rayanna Constituent First Grade College participated in an insightful session on HIV/AIDS awareness, emphasizing the role of youth in tackling social challenges. Similarly, students from St. Antony's Kannada & English Medium High School engaged in discussions on adolescent education and inclusivity, fostering a sense of compassion and social responsibility.

We were also honored to welcome Kranti Mahila Mandal and the Board Members of Uma Sangeet Shale, long-time supporters of Mahesh Foundation. Their visit offered an opportunity to showcase our ongoing projects and share words of encouragement, further inspiring us to continue our mission of empowering underprivileged communities.

Mahesh Foundation ushered in the New Year with enthusiasm, reflecting on the achievements and progress made over the past year. The celebration featured vibrant cultural performances by the children, showcasing their talents and joy. A special highlight of the event was the recognition of outstanding employees, honoring their dedication and contributions to the foundation's mission. This memorable occasion not only marked a fresh beginning but also reinforced our collective commitment to betterment of society.
