Monthly Activities Report

February 2026

A Message From President

I am delighted to share the February 2026 Activities Report, a month marked by digital empowerment, experiential learning, health initiatives, and meaningful community engagement. Throughout the month, we witnessed impactful educational visits, scientific and robotics learning sessions, cultural observances, emotional well-being programs, infrastructure support to government schools, and successful blood donation drives that strengthened our outreach and impact.

A proud milestone this month was the inauguration of Mahesh Foundation's Tech On Wheels Mobile Computer Lab by Hon'ble Minister Shri. Satish Jarkiholi, Minister for Public Works Department and District In-Charge Minister of Belagavi. The mobile lab has already begun reaching children at Government Kannada Higher Primary School, Gutaguddi, bringing digital education directly to their doorstep and strengthening digital literacy in rural communities.

At Utkarsha School, students engaged in pottery and weaving visits, a railway station exploration, wildlife activities, robotics sessions, and interactive science learning on the solar system and five senses. Cultural observances such as Shivaji Jayanti and tribute to Pulwama martyrs instilled patriotism and leadership values. At the Care Home, children participated in life skill education, mind games, vocabulary-building activities, counselling sessions, emotional coping workshops, committee meetings, and cultural celebrations including Shivaratri. Through MyBlood Charitable Blood Center, collaborative blood donation camps were successfully conducted with L&T Pvt Ltd and HDFC Bank, reinforcing our commitment to saving lives.

We extend our heartfelt gratitude to our donors, partners, staff, volunteers, and well-wishers whose continuous support enables us to create meaningful and sustainable change.

With warm regards,

Mahesh Jadhav

Mahesh Jadhav
President, Mahesh Foundation

Education

During February, Mahesh Foundation's Utkarsha School continued its efforts to provide free, quality, and skill-based education to underprivileged children, fostering a positive and engaging learning environment for their academic and overall development.

The month featured experiential visits to a potter's home, a weavers' workplace, and a railway station, along with wildlife-based learning, robotics sessions, interactive science classes on the solar system and five senses, and meaningful cultural observances.

These diverse activities enriched students' practical understanding, creativity, scientific curiosity, patriotism, and life skills.

Children visited a weavers' workplace to understand weaving techniques and traditional livelihoods

Wildlife-themed activities sparked curiosity and encouraged environmental awareness.

Interactive lessons on the solar system made science exciting and experiential.

An engaging classroom activity on the five senses enhanced practical understanding of human biology.

A hands-on robotics session strengthened problem-solving skills, teamwork, creativity, and STEM knowledge.

Students paid tribute to the brave heroes of the Pulwama attack, reflecting on unity and sacrifice.

Shivaji Jayanti was celebrated with reverence,
honoring Chhatrapati Shivaji Maharaj

Mahesh Foundation supported Government Kannada Higher Primary School,
Khanagaon KH, Belagavi, by aiding the construction of separate washroom facilities for boys and girls.

Health

As part of the Care Home's continued commitment to holistic child development and well-being, February 2026 included life skill education sessions, cognitive development activities, digital literacy initiatives, emotional coping workshops, counselling support, committee meetings, staff coordination meetings, regular health check-ups, and cultural celebrations such as Shivaratri and Shivaji Jayanti.

These structured activities ensured balanced physical, emotional, intellectual, and cultural development for the children.

A mail ID creation activity enhanced digital literacy and technological confidence.

Mind game activities promoted cognitive development and critical thinking.

An emotion-focused coping skills session was conducted by Neeta Ma'am from Miracle Foundation

Counselling sessions by Anjali Pandit Madam supported emotional stability and personal growth.

Shivaji Jayanti was observed, reinforcing values inspired by Chhatrapati Shivaji Maharaj.

A staff meeting strengthened coordination and effective care planning.

- Solve the Riddles and Learn New Words (Vocabo) - improved vocabulary and language skills.
- Shivaratri was celebrated with devotion and cultural enthusiasm.
- Regular monthly health check-ups ensured the physical well-being of all children.
- A Children's Committee meeting encouraged participation, leadership, and responsibility among children.

MyBlood

During February 2026, Mahesh Foundation's MyBlood Charitable Blood Center continued its life-saving mission through regular voluntary donations and collaborative blood donation camps organized with corporate partners.

These initiatives ensured timely availability of safe blood for patients during medical emergencies and critical treatments.

Community members, employees, and volunteers actively participated, reflecting strong social responsibility and compassion.

A Blood Donation Camp was conducted in collaboration with L&T Pvt Ltd, Belagavi, with enthusiastic employee participation.

A blood collection camp was organized in partnership with HDFC Bank, Bauxite Road Branch, Belagavi, receiving positive support from staff and volunteers.

Regular voluntary blood donations continued at the center to support patients in need.

Visits & Events

February 2026 witnessed significant visits and milestone events that strengthened Mahesh Foundation's outreach and community engagement.

The inauguration of the Tech On Wheels Mobile Computer Lab, outreach to Government Kannada Higher Primary School, Gutaguddi, a visit by B.Ed. students from Sagar College, and donor recognition activities were key highlights of the month.

These events reinforced our shared commitment to digital inclusion, social responsibility, and sustainable development.

The Tech On Wheels Mobile Computer Lab was inaugurated by
Hon'ble Minister Shri. Satish Jarkiholi, promoting digital literacy in rural schools.

B.Ed. students from Sagar College, Belagavi, visited Mahesh Foundation as part of their social responsibility initiative, gaining insights into community service.

Donors were honored and acknowledged for their steadfast support and commitment to our mission.
