# Monthly Activities Report

## August 2026

## Message from the President

I am delighted to present the August 2026 Activities Report, highlighting another month of meaningful progress, learning, healthcare, child development, and community engagement at Mahesh Foundation.

Throughout the month, Utkarsha School continued to make learning engaging and experiential through interactive activities in English, Hindi, Science, and language development. Students explored concepts such as Articles, Sensory Organs, and conjunct consonants through hands-on activities. The Food Stall Activity provided children with an opportunity to develop practical skills such as communication, teamwork, buying, and selling. The school also celebrated Independence Day with great enthusiasm and patriotic spirit.

Under our Adhar Vidya Program, school kits were distributed to children of Government Marathi Higher Primary School, Alatage, and Government Kannada Higher Primary School, Chidambarnagar, Anagol. These efforts continue to support children from underserved communities by providing essential educational materials and encouraging regular school attendance.

At Ashakiran Care Home, children participated in creative, recreational, life skills, health, counselling, and awareness activities. Pot painting, Rakhi making, outdoor activities, Life Skills Education sessions, health check-ups, counselling, and children's meetings contributed to their overall development and well-being. The children also participated enthusiastically in Independence Day and Raksha Bandhan celebrations.

Our MyBlood Charitable Blood Bank continued its life-saving mission by organizing voluntary blood donation camps in collaboration with Kwality Animal Feeds Pvt. Ltd., Shri Siddharameshwar College, and the Income Tax Office, Belagavi. These camps encouraged community participation and promoted awareness about the importance of voluntary blood donation.

The month also witnessed a meaningful visit by the SKDRDP team from Chalavenahatti, providing an opportunity for knowledge sharing, interaction, and greater understanding of Mahesh Foundation's initiatives in education, healthcare, and community development.

I sincerely thank our donors, CSR partners, volunteers, staff members, and well-wishers for their continued support and commitment. Together, we remain dedicated to creating opportunities, empowering children, and building a brighter and more inclusive future.

With warm regards,

Somshekhar Belagavi

President, Mahesh Foundation
