Monthly Activities Report

July 2026

Message from the President

I am delighted to present the July 2026 Activities Report, highlighting another impactful month of progress, learning, healthcare outreach, and community engagement at Mahesh Foundation. This month marked a significant milestone with the launch of our Mobile Clinic Van, supported by NewSpace India Limited, by the Honorable Deputy Commissioner of Belagavi District, Mr. Mohammad Roshan. The Mobile Clinic Van will provide quality and accessible healthcare services to underserved communities, strengthening our commitment to accessible healthcare.

Throughout the month, Utkarsha School continued to promote environmental awareness, patriotism, creativity, and experiential learning through Vanamahotsava celebrations, educational visits, Kargil Vijay Diwas observance, and interactive classroom activities. Under our Community Development Initiatives, school kits were distributed to students studying in government and aided schools, helping create an encouraging learning environment.

At Ashakiran Care Home, children actively participated in leadership activities, educational competitions, child rights awareness sessions, life skills education, health check-ups, counselling programmes, and recreational activities, contributing to their overall development and well-being.

Our MyBlood Charitable Blood Bank continued its life-saving mission by successfully organizing voluntary blood donation camps in collaboration with Harvest Church, Tyresoles India Pvt. Ltd., and the Belagavi Airport, promoting voluntary blood donation and strengthening community participation.

The month also witnessed a meaningful visit by the team from Hemavati Dhyana Vikas Kendra, Mastmardi (SKDRDP), who explored Mahesh Foundation's initiatives in education, healthcare, and community development, further strengthening collaborative efforts.

I sincerely thank our donors, CSR partners, volunteers, staff members, and well-wishers for their unwavering support and commitment. Together, we continue transforming lives and building a brighter, healthier, and more inclusive future.

With warm regards,

Mahesh Jadhav
