Monthly Activities Report

April 2026

Message from the President

I am pleased to present the April 2026 Activities Report, a month marked by meaningful engagements, impactful collaborations, health and well-being initiatives, and remarkable achievements in education. Throughout the month, Mahesh Foundation continued to strengthen its mission by creating opportunities for learning, promoting community awareness, and ensuring the holistic development of children and beneficiaries.

A key highlight of the month was the exceptional academic achievement of Mahesh Foundation's Utkarsha School, which celebrates a remarkable milestone with a 100% result in the SSLC examinations. Notably, the school has earned the distinction of being the only Kannada Medium School in Belagavi to accomplish this milestone, setting a new benchmark in academic excellence.

The month was further enriched by the visit of Ms. Lisa Parrott, Global CEO of Miracle Foundation, along with her team, reinforcing our long-standing partnership and shared commitment to creating sustainable impact. Health and emotional well-being remained a priority through counselling sessions, staff training, and regular activities at the care home. Additionally, MyBlood Charitable Blood Bank successfully organized a blood donation camp, reflecting strong community participation and commitment to saving lives.

We extend our heartfelt gratitude to our partners, donors, volunteers, and well-wishers for their continued support and encouragement in helping us create meaningful change.

With warm regards,

Mahesh Jadhav

Mahesh Foundation's Milestone Achievement Utkarsha School's First SSLC Batch with 100% Results

Mahesh Foundation's Utkarsha School has achieved a remarkable and proud milestone by securing 100% results in the SSLC Examinations for its very first batch.
