

Monthly Activities Report

March 2026

Mahesh Foundation

We Care for Uncared

A Message From President

I am pleased to present the March 2026 Activities Report, a month marked by impactful community outreach, student engagement, health and well-being initiatives, and continued efforts in education and digital empowerment. Throughout the month, Mahesh Foundation strengthened its mission through meaningful collaborations, awareness programs, student development activities, and successful blood donation drives.

A significant highlight of the month was the continued outreach of the "Tech on Wheels" Mobile Computer Lab, bringing digital education directly to rural schools and enhancing access to technology for children. The month also witnessed multiple blood donation camps organized by MyBlood Charitable Blood Center in collaboration with various institutions, contributing towards saving lives and strengthening community participation.

We are also proud to have received the Sociofare Awardee 2026 recognition, which stands as a testament to our ongoing commitment to serving vulnerable communities. Additionally, visits by dignitaries, students, and professionals further enriched our ecosystem of learning, awareness, and social responsibility.

We extend our sincere gratitude to our partners, donors, volunteers, and well-wishers for their continued support in enabling us to create a lasting impact.

With warm regards,

Mahesh Jadhav

President, Mahesh Foundation

Education

Utkarsha School

During March, Utkarsha School focused on academic assessment, environmental awareness, and student milestones, ensuring a balanced approach to learning and development. The activities conducted during the month supported both academic growth and value-based learning among students. These initiatives contributed to building responsibility, confidence, and awareness in children.

Utkarsha School

1. Conducted an interactive activity on waste management, promoting awareness on segregation, recycling, and responsible disposal.

2. Successfully organized annual examinations to assess students' academic progress and encourage disciplined learning.

3. Organized a send-off ceremony for the first SSLC batch, marking an important milestone and wishing students success in their future.

Community Development Initiatives

The Foundation continued its efforts to enhance access to education and digital learning through outreach initiatives in rural communities. These programs are designed to bridge the educational gap and provide equal learning opportunities for underprivileged children. The initiatives also encouraged students to actively engage with modern learning tools and resources.

1. “Tech on Wheels” Mobile Computer Lab visited PM Shri Government Primary School, Khanagaon BK, introducing students to digital learning and basic computer skills.

2. Distributed school kits to students of D S Nadage Composite Pre-University College and School, Karadga, supporting education and reducing financial burden on families.

Health

Care Home

At Ashakiran Care Home, the focus remained on children's overall well-being through structured activities, emotional support, and recreational engagement. The activities were designed to ensure balanced physical, emotional, and cognitive development of the children. A nurturing environment was maintained to support their growth, confidence, and overall happiness.

Ashakiran Care Home

1. Conducted an Emotion-Focused Coping Skills session by Dr. Neeta Mam from Miracle Foundation.
2. Celebrated Holi with joy and togetherness.
3. Organized a badminton game to promote physical activity and teamwork.
4. Conducted a Children's Committee meeting to encourage participation and leadership.
5. Ensured regular monthly health check-ups for children.
6. Held a staff meeting for planning and coordination.
7. Conducted a colour puzzle activity on International Colour Day.
8. Organized a "Unity is Strength" stick activity to promote teamwork.
9. Conducted talking doll activity to improve communication skills.
10. Organized ball balancing activity to enhance concentration and coordination.
11. Conducted counselling sessions by Anjali Pandit Madam.

PIL

MyBlood

During March, MyBlood Charitable Blood Center continued its life-saving mission through multiple blood donation camps and community participation. These efforts ensured the availability of safe blood for patients in need and strengthened the culture of voluntary blood donation. The active involvement of institutions, officials, and community members reflected a strong sense of social responsibility.

1. Organized a blood donation camp in collaboration with SFS Group India Private Limited.

2. Conducted a blood donation camp at Ankalagi.

3. Organized a camp at R. N. Shetty Rural Polytechnic, Belagavi.

4. Conducted a blood donation camp at Mahesh Foundation in collaboration with Yashasvi Trust PHQ Belagavi.
