July 2025

A Message From President

Dear Friends, Supporters, and Well-Wishers,
As we reflect on the month of July 2025, I am filled with immense pride and gratitude for the remarkable milestones and impactful initiatives Mahesh Foundation has achieved. This month has been a vibrant celebration of education, healthcare, social responsibility, and community engagement – all hallmarks of our mission to empower underprivileged children and build a compassionate society.

Our schools, Utkarsha School and The Hillside School, have continued to thrive as hubs of holistic learning and creative expression. From celebrating Guru Purnima, National Flag Day, and Kargil Vijay Diwas to engaging children in cultural, environmental, and experiential learning activities, we have ensured that every child experiences education beyond textbooks – nurturing creativity, patriotism, and social awareness.

In the realm of healthcare, MyBlood Charitable Blood Bank has been instrumental in saving lives through multiple blood donation camps. The wholehearted participation of volunteers, bank employees, and community members at RBO 2 Belagavi, AMCC Chikkodi, and ICICI Bank has been truly inspiring. July also marked the 1st anniversary of MyBlood, celebrated with the esteemed presence of Babu Chougala, ACP/Assistant Commandant, KSISF, whose encouragement has strengthened our resolve to continue this life-saving work.

This month, we were honored to welcome students from IEMS MBA College Hubballi, SBG College of Nursing, and Bharatesh PU College, who visited Mahesh Foundation to gain insights into our social initiatives. Their enthusiasm and curiosity reaffirm the importance of spreading awareness about social responsibility and inspiring the next generation to contribute meaningfully to society.

These accomplishments in July reflect the unwavering commitment of our team, supporters, volunteers, and partners who stand with us in our journey of compassion, empowerment, and service.

With heartfelt gratitude and best wishes,

Mahesh Jadhav

Celebrating 17 Years of Empowering Lives with Compassion and Commitment

From a small beginning to a movement transforming thousands of lives — today, we celebrate 17 years of compassion, courage, and commitment.

This milestone is not just a celebration of our journey, but a tribute to the collective spirit of compassion, resilience, and hope that drives our mission. We extend heartfelt thanks to all our supporters, team members, and partners who have stood with us over the years.

As we move forward, we renew our commitment to creating a more inclusive and empowered society.

Education

Utkarsha

At Mahesh Foundation's Utkarsha School, a series of enriching activities and initiatives highlighted our commitment to holistic education and student development. The school was honored by the visit of Block Education Officer (BEO) Belagavi City, Shri Ravi Bhajantri, who appreciated our dedicated efforts in providing quality education to underprivileged children. During his visit, he interacted with students, observed classrooms, and praised the inclusive and nurturing environment fostered at the school.

Students actively participated in various cultural, educational, and leadership activities throughout the year. Guru Purnima was celebrated with heartfelt programs honoring teachers, while pre-primary children engaged in "Real Life Education" role-play activities to explore culture and community. World Emoji Day brought creativity and joy to the classrooms, student elections encouraged democratic values and leadership skills, and events like Kargil Vijay Diwas and International Tiger Day helped instill patriotism and environmental awareness among young minds.

In addition to these experiential learning activities, Utkarsha School conducted the 1st Formative Assessment to evaluate students' understanding and retention of concepts taught in their initial classes. This assessment provided valuable insights into each child's progress, strengths, and areas for improvement, reflecting the school's focus on continuous learning, holistic development, and fostering confident, socially responsible individuals.

Utkarsha School Conducts 1st Formative Assessment to Evaluate Student Learning.

The Hillside School

The Hillside School has been actively engaging students in a variety of cultural and educational celebrations that nurture creativity, patriotism, and respect for traditions. The school joyfully celebrated Guru Purnima with skits and dances that highlighted the pivotal role of teachers and gurus in shaping young minds. Our little ones also explored their heritage by creating colorful family trees, proudly showcasing their parents, grandparents, and siblings, fostering a meaningful connection with their roots.

Alongside these cultural initiatives, the school embraced seasonal and national celebrations with great enthusiasm. During the monsoon, children captured the spirit of rainy days by making paper boats, wearing bright raincoats, and carrying cheerful umbrellas, spreading joy and color throughout the school. National Flag Day and Kargil Vijay Diwas were observed with vibrant performances and heartfelt tributes, instilling patriotism, unity, and respect for the courage and sacrifice of our brave soldiers.

Hillside School Honors Soldiers on Kargil Vijay Diwas with Tributes and Cultural Presentations.

Aadhar Vidya Program

Mahesh Foundation has continued its mission to support underprivileged children by distributing school kits across multiple schools in Belagavi. As the new academic year began, 25 children at Government Marathi Higher Primary School, Ganeshpur, received essential educational resources, empowering them to pursue their studies with confidence and joy.

The foundation extended its efforts to Government Urdu Medium School in Bassapur, Hirebagewadi, where 50 children were provided with school kits to ensure they have the tools needed for quality education. Similarly, at Government Marathi Higher Primary School in Angol, 84 students received learning materials, equipping them to build a brighter future.

Additionally, students at Government Kannada Higher Primary School in Mutenatti benefited from this initiative, reflecting Mahesh Foundation's ongoing commitment to fostering hope, equal opportunities, and holistic development for underprivileged children.

Health

Care Home

Children Enjoy Ball Balancing Game at Mahesh Foundation Care Home.

Children at our Care Home enthusiastically engaged in a fun Ball Balancing Game, filling the space with laughter and excitement. The activity encouraged focus, coordination, and teamwork, all while giving them a joyful break through playful learning. It was a delightful experience that combined play with learning, creating lasting memories for everyone involved.

MyBlood Charitable Blood Center

Mahesh Foundation's MyBlood Charitable Blood Center has been actively organizing blood donation camps across Belagavi and nearby areas, making a significant impact on healthcare and life-saving initiatives. A successful camp at RBO 2 Belagavi, held at Goaves Circle, LIC Building, witnessed enthusiastic participation from volunteers and the local community, with the collected units benefiting patients in urgent need of transfusions.

The foundation also hosted a life-saving blood donation camp at AMCC, Chikkodi, where volunteers came forward in large numbers, contributing numerous units of blood that will directly help save lives. In addition, a collaborative camp with ICICI Bank, Belagavi, saw active participation from bank employees and volunteers, demonstrating the power of community support and compassion in healthcare.

We extend heartfelt gratitude to all the donors who came forward for these noble initiatives. Each contribution, no matter how small, creates a meaningful impact, supporting patients in critical need and reinforcing the spirit of voluntary service and social responsibility championed by MyBlood Charitable Blood Bank.

Visits & Events

Mahesh Foundation's MyBlood Charitable Blood Bank celebrated its 1st anniversary with great pride, welcoming Babu Chougala, ACP/Assistant Commandant, KSISF, and Chief Aerodrome Security Officer at Belagavi Airport, as the chief guest. His inspiring presence and heartfelt address added immense value to the occasion, motivating continued efforts in voluntary blood donation and reinforcing the importance of saving lives through community participation.

In addition to its healthcare initiatives, Mahesh Foundation actively engages with students to promote social responsibility and community awareness. Students from IEMS MBA College Hubballi, SBG College of Nursing, Belagavi, and Bharatesh PU College, Belagavi, visited the foundation to gain insights into its initiatives. During these visits, they learned how Mahesh Foundation empowers underprivileged children through holistic care and quality education, and they discovered the significant role individuals can play in building a more inclusive, compassionate, and socially responsible society.

These interactions not only inspired the students but also highlighted the foundation's commitment to fostering awareness, empathy, and active participation in social causes, creating a ripple effect of positive change in the community.
