

Separate Girls Hostel

A Separate Care Home for
Underprivileged Girl Children

Well-organized separate care home for medically challenged girl children at Mahesh Foundation. This care home is equipped with all facilities and this will be benefiting more than 100 medically challenged children.

We have provided all basic needs like washrooms and drinking water facilities on each floor of separate girls' care home.

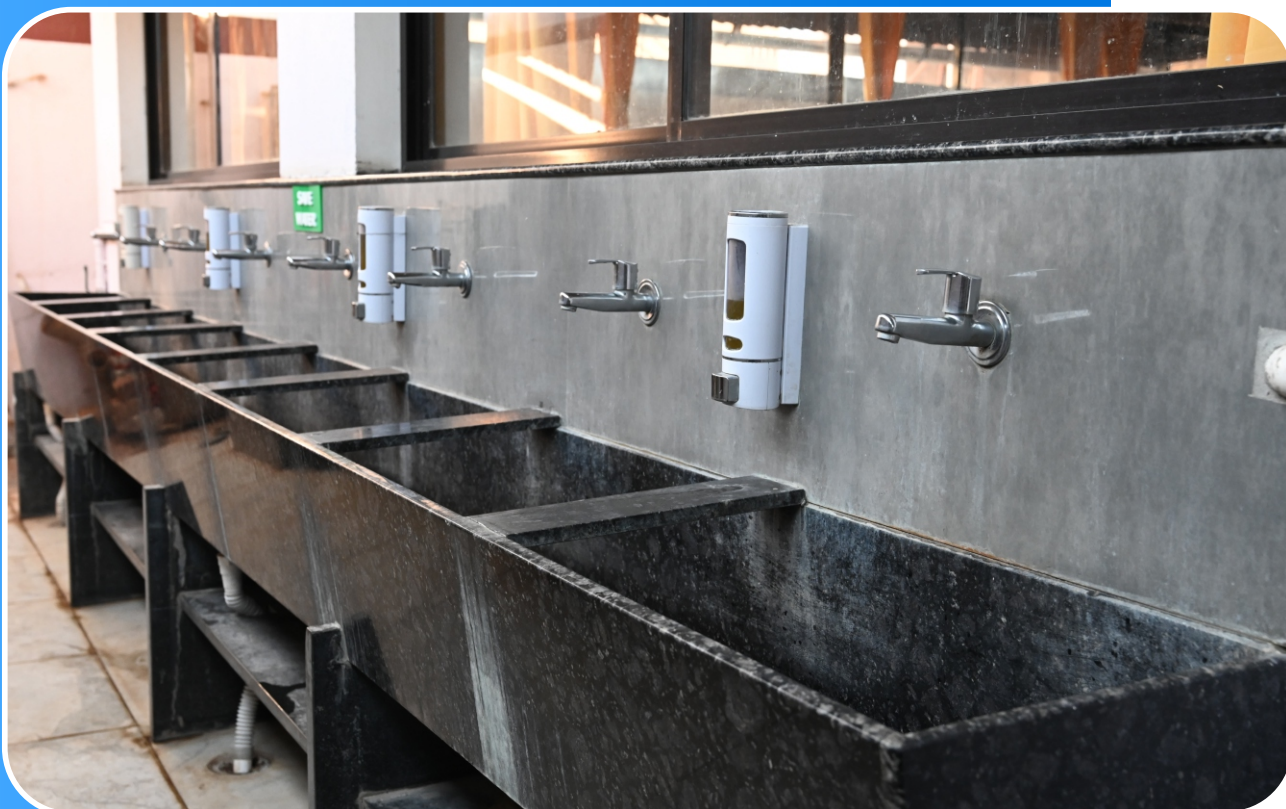

On each floor of the separate girls' care home, we have maintained a well-equipped separate bedroom area for the girl children.

Basic essentials like wash basin facilities, toiletries and bathrooms are provided for girl children residing at Mahesh Foundation.

We have provided a separate dining hall for the girl children residing at our care home which provides space for 50 girl children to have meals at the same time.

A glimpse of the wash basin area maintained in the dining area of a separate girl's care home.
