We Care for Uncared

Morning Nutrition

Well-balanced and nutritional food for medically challenged and underprivileged children by Zomato Feeding India

Breakfast

Healthy breakfast will be provided in the morning to the underprivileged children studying at Utkarsha Learning Center

Lunch

In order to provide nutritional and balanced food to growing kids Feeding India by Zomato has joined hands with Mahesh Foundation

Evening Snacks

The small snacks portion is added to the daily food schedule of children and in the evening tasty and healthy snacks will be served to the children.

Fruits are also nutrient supplements so we have been providing all types of fruits to the children in the daily feeding program

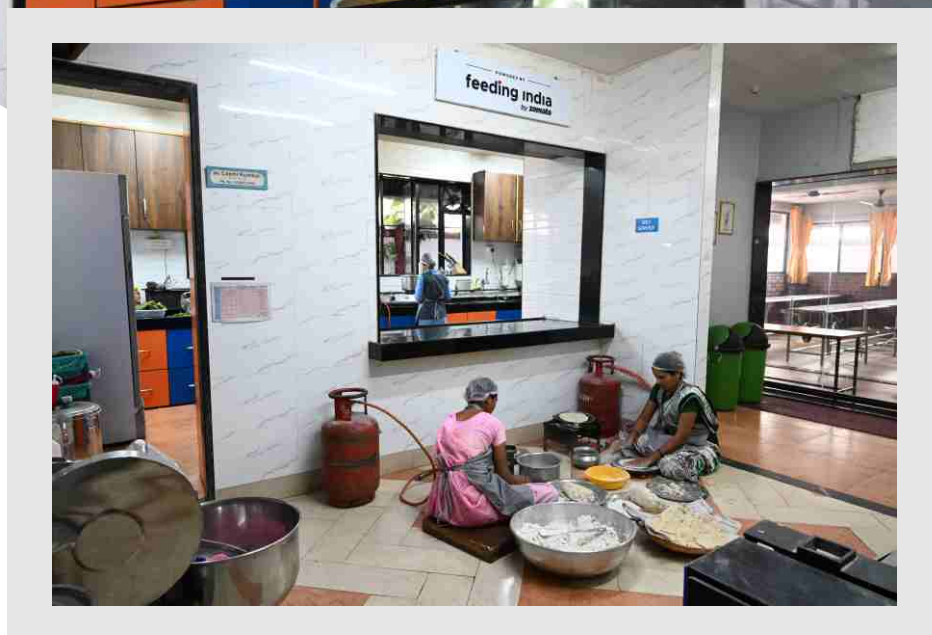

Dinner

Healthy food will be prepared in a hygienic kitchen and served to the children. Everyday food will be prepared according to the menu.

This daily feeding program by Zomato has brought a positive change in the children and now all of them are actively involved in all activities.

Healthy food will be prepared in a hygienic kitchen and served to the children. Everyday food will be prepared according to the menu.

The dinner will be packed in the tiffin for the children who study at Utkarsha school. The packed tiffin bags will be sent to every child's home
