A young girl with dark hair tied in a ponytail, wearing a school uniform with a blue sweater and a plaid shirt, is smiling. In the background, other students in similar uniforms are visible, though out of focus. A large blue circular graphic is overlaid on the left side of the image, containing the main text.

**"The Gift of Education  
ignites a girl's  
Happiness, Illuminating  
her Future with Hope  
and Endless Opportunities."**

# The Year at a Glance

In the year 2022 - 2023, Mahesh Foundation has extended several programs in order to provide a dignified life for underprivileged children, women, and people. From the initial days to till date, it has impacted the lives of thousands of needy and set an example by establishing such wonderful separate care homes for medically challenged children. From giving shelter to one child to giving shelter to hundreds of medically challenged children the journey was full of challenges and obstacles but we succeeded to tackle them and providing a peaceful and healthy life to the needy.

Mahesh Foundation's Utkarsha Learning Center has been helping hundreds of underprivileged children to get the best quality education, meal, digital education and providing safe transportation facilities for the children. The children who have remained away from education are provided a platform for their bright future. The school has the best skill-based classrooms, computer classrooms and digital education facilities which enable underprivileged children to explore beyond basic learning skills. Currently, 275+ children are benefited from Utkarsha school. Under Aadhar Vidya Program we have been supporting thousands of children to continue their education, we have reached the govt schools and provided school kits to the children. Also proposed new skill center where underprivileged women and girl children will be trained with skills.

Our livelihood and training center is bringing underprivileged women to the mainstream and providing them a platform to earn livelihood. This program has totally changed the conditions of thousands of socially and economically disadvantaged families and all of them are leading a dignified life

Mahesh Foundation started a charitable blood bank called MyBlood charitable blood bank in Kanabargi Belagavi. This blood bank serves the needy free of cost and saves the lives of patients. With this initiative, we intend to eradicate the unavailability of blood and help poor people to access the blood bank facility.

The 100-bed charitable hospital is one of the ambitious projects of Mahesh Foundation which will provide free healthcare service to people belonging to vulnerable communities. Also, we started working on our another project New School and Skill Center Building. We are confident of completing this project within a few months in 2023-24 and making it available for the children.

We feel very happy that our service has made a positive impact on thousands of needy and this is the outcome of our journey. We will be happy to extend our service to more people in need in the coming days.

## Founder's Desk

15-year journey of humanitarian service rendered for the development of medically challenged and underprivileged children was not an easy task for us. During this journey, we have come across several challenges and obstacles and we succeeded in finding the solutions to those challenges. Our mission of enabling dignified life for medically challenged children and underprivileged children has made an impact on hundreds of needy children.

The year 2022-23 has been a year of both challenges and triumphs and I am proud of the progress we have made throughout the year. Two of the most important milestones during the year are the Registration of the Utkarsha Learning Center under the Karnataka Education Board for which we had been striving for many years and a Separate Care home for HIV-positive girls. We completed the construction of the New Building this year and made it available to the children.

From the initial days of Mahesh Foundation our programs and initiatives were benefiting needy people belonging to vulnerable communities of the society. Our transparency and dedication have changed the opinion of the society and the people supported us to accomplish our initiatives.

This would not have been possible without the dedication of our team and the well-wishes of our supporters over the years. I express heartfelt gratitude for the unwavering support to all the individual and institutional supporters who have been associated with us in our journey.

**Shri. Mahesh Jadhav**  
President, Mahesh Foundation

With our new initiatives such as skill center for underprivileged women, MyBlood Charitable Blood Bank and Mahesh Foundation's 100-Bed Charitable Hospital, we are expanding our service to more beneficiaries.

The annual report 2022-2023 gives insights into the Foundation's ongoing and upcoming transformation.

## Inauguration of Mahesh Foundation Premises

Mahesh Foundation premises has been a ray of hope for HIV-positive and underprivileged children. The building has all the facilities like accommodation, classrooms, a library, computer labs and other facilities that the children need. The premises also has medical facilities and counseling services. These are designed to provide children with access to quality healthcare and education they may not otherwise have. There are many activities and programs carried out at Mahesh Foundation premises that are benefiting thousands of beneficiaries.

But a few years ago, it was just a dream for Mahesh Foundation. That dream has become possible for us with the help of a noted architect and Principal Architect of Bhumi Putra Shri. Alok Shetty, the chief architect of the premises. Alok Shetty has been associated with Mahesh Foundation for the past 7 years. He supported the construction of Mahesh Foundation school premises, separate girls hostel, Skill center. Also, he is supporting our dream project 100-Bed Charitable Hospital.

We are truly privileged to have this premises inaugurated by its Creator, Alok Shetty as he visited Mahesh Foundation for the inauguration event.

“

There is a proverb, a great man plants trees whose shade he knows he shall never sit in. Such selfless work has been done by Mahesh Foundation. This cause doesn't have an immediate impact but creates a bright future for thousands of underprivileged children. Happy to see these talented children who are the future of New India. I am confident that Charitable Hospital would transform healthcare.

Alok Shetty

# Education

## Education

## Education is the catalyst for social change

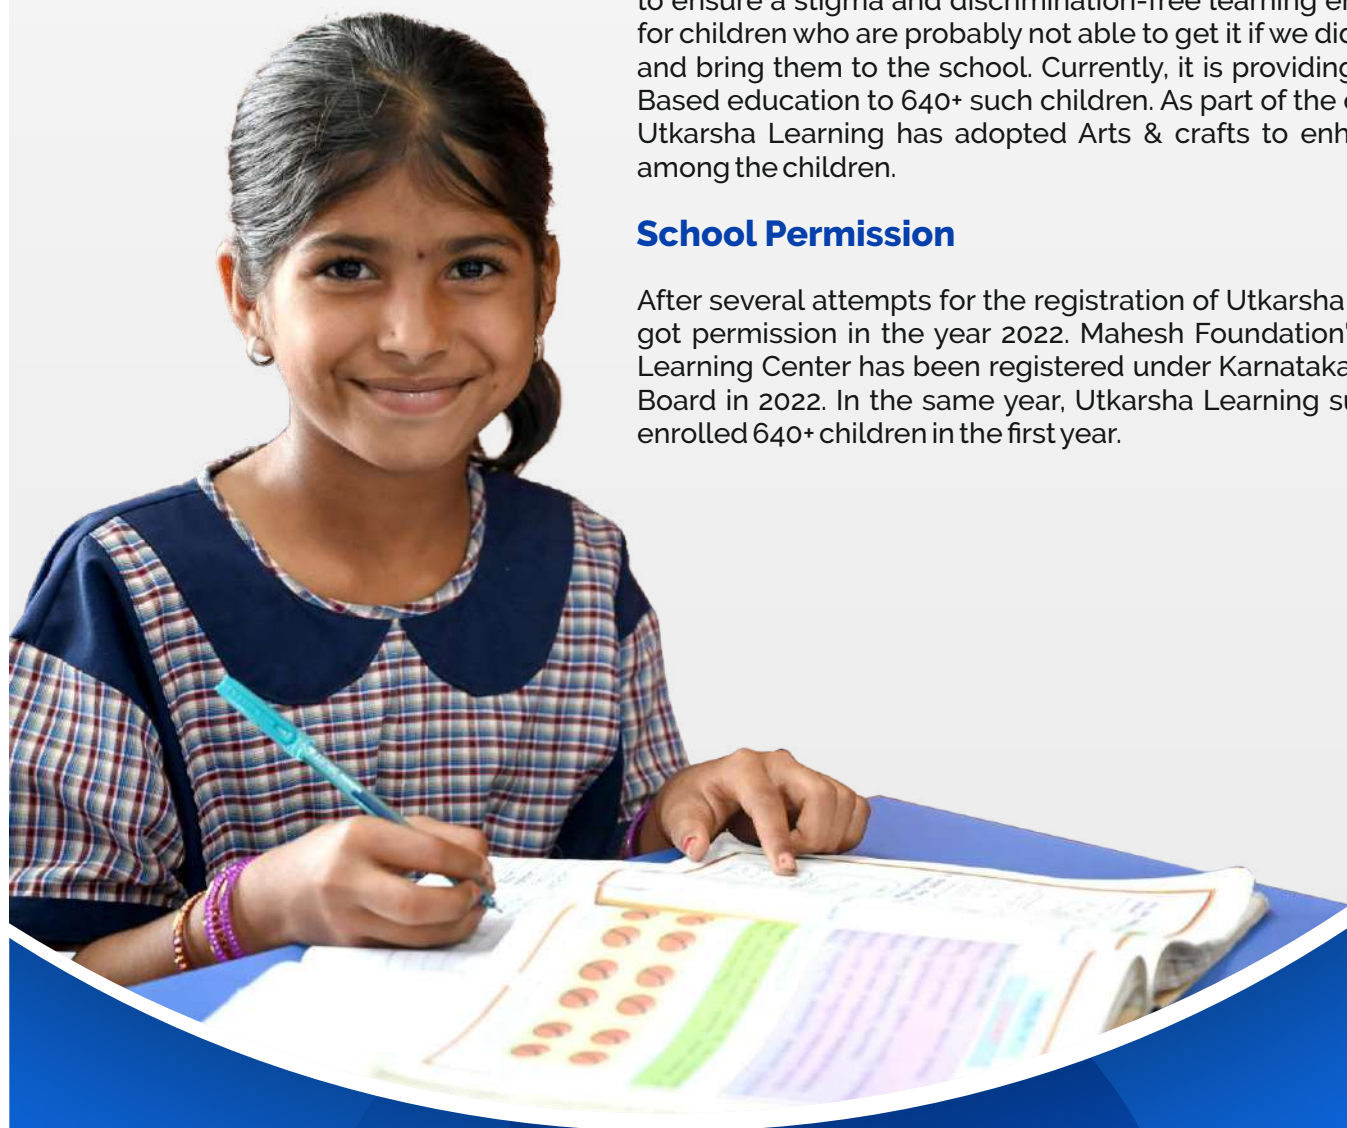

With an aim to ensure quality education for underprivileged children, we have established Utkarsha Learning Center. Under the Aadhar Vidya Program we also support the children who lack support and facilities in their schools & families, such poor children are identified and supported with school kits.

### Utkarsha Learning Center

A special school for HIV-positive and underprivileged slum children. The school has been functioning for the past 5 years providing free education to these children. The aim of Utkarsha is to ensure a stigma and discrimination-free learning environment for children who are probably not able to get it if we didn't identify and bring them to the school. Currently, it is providing free Skill-Based education to 640+ such children. As part of the curriculum, Utkarsha Learning has adopted Arts & crafts to enhance skills among the children.

### School Permission

After several attempts for the registration of Utkarsha school, we got permission in the year 2022. Mahesh Foundation's Utkarsha Learning Center has been registered under Karnataka Education Board in 2022. In the same year, Utkarsha Learning successfully enrolled 640+ children in the first year.

# Utkarsha Activities of the Academic Year 2022 -23

## Experimental World

Science experiments promote discovery and learning. Discovering new ideas is an integral part of learning science. We have set up a science lab for the children studying in our school at Mahesh Foundation.

## Knowledge Assessment

Formative assessment is an effective way for teachers to learn about each child's knowledge, skills, and abilities. Formative assessment helps the teachers to use results to plan and individualize instruction and support the development of each child.

## Guru Purnima

Mahesh Foundation children and teachers celebrated Guru Purnima. The children honored and thanked the teachers for their services, support and guidance.

## Independence Day & Azadi Ka Amrut Mahotsav

We, at Mahesh Foundation, celebrated the Independence Day of such a great land, our Motherland India. And took the initiative to celebrate this Azadi Ka Amrut Mahotsav by organizing the Fancy Dress Competition. Children played the role of freedom fighters who sacrificed their lives in the freedom struggle.

### No Bag day for Children

Using the No bag day theme every Saturday we are providing a platform for the children of Utkarsha Learning Center where they can participate and learn things from activities

### Mid-Term Exam

To evaluate the children's knowledge, we at Utkarsha Learning center conducted a Mid-term examination for the children. The children attended the examination enthusiastically and performed well.

### Teachers Day

Celebrated Teachers Day. Paid tribute to the greatest teacher and Independent India's First Vice President Dr. S. Radhakrishnan. The children performed cultural activities on this occasion.

### Annual Sports Meet

It is one of the most loved events of the year, and the children very longingly look forward to it. This year also we have organized the annual sports meet for Utkarsha children where the children enthusiastically participated and enjoyed the day

## Republic Day

Celebrated Republic Day at Mahesh Foundation's Utkarsha Learning center with great enthusiasm and children performed cultural activities

## Education awareness program for underprivileged people

Organized a session on bringing awareness about education among these people so that help their children continue their education with the parent's support and cooperation.

## Utkarsha Learning Center's Annual Day 2022-23

Organized Utkarsha Learning Center's Annual Day 2022-23, to celebrate the achievements of the school and students throughout the academic year. The children performed cultural activities in this annual day celebration.

## Aadhar Vidya Program

Doubtless, education is the most powerful catalyst for social transformation. But, there is enormous inequality in access to quality education in India, resulting in massive inequality of opportunity for children. Mahesh Foundation aims to make less privileged children self-reliant and lead dignified life in the future. To date, Mahesh Foundation is externally supporting more than 24,000 children to get an education through the community program.

There are lakhs of children around us who lack support from their families to get an education and are dropping out of school. Education is available free of cost in government schools but many children lack support to even get their school equipment. Children need support to cope with the competitive world to have a dignified life.

Mahesh Foundation reaches government schools and provides school bags and school stationery to them as well as free skills-based and personality development education to the children. Under this initiative, Mahesh Foundation also provides skills-based education to the children such as computer education, art, drama, sports and others. Many college students work as volunteers and impart their knowledge and skills to the children.

To date we have reached more than 24000 underprivileged children providing education support to help them continue their education. Also, succeeded to bring awareness among their parents.

## Aadhar Vidya - Skill-Based Education

Digital education is a must for children to compete in this digital age. Digital education platforms are expensive and out of reach for underprivileged children. In addition, the lack of quality resources widens the divide between children and digital education. We have been providing a platform that enables them to access the digital world and learn more. Every day more than 450 children are benefited from this initiative. We have a dream of making every child proficient in using computers and survive in today's digital world.

# A Word of Appreciation

**Shri. Eknath Shinde,**  
Hon'ble Chief Minister of Maharashtra

We are proud to have an organization like Mahesh Foundation around us that is working for the upliftment of HIV-positive children. Their hard work and dedication is the reason behind this achievement. Mahesh Foundation has become a role model for all of us which inspires us to contribute to society.

In the embrace of  
**EDUCATION,**  
I have found the  
**Wings to Soar and the  
Joy to Conquer."**

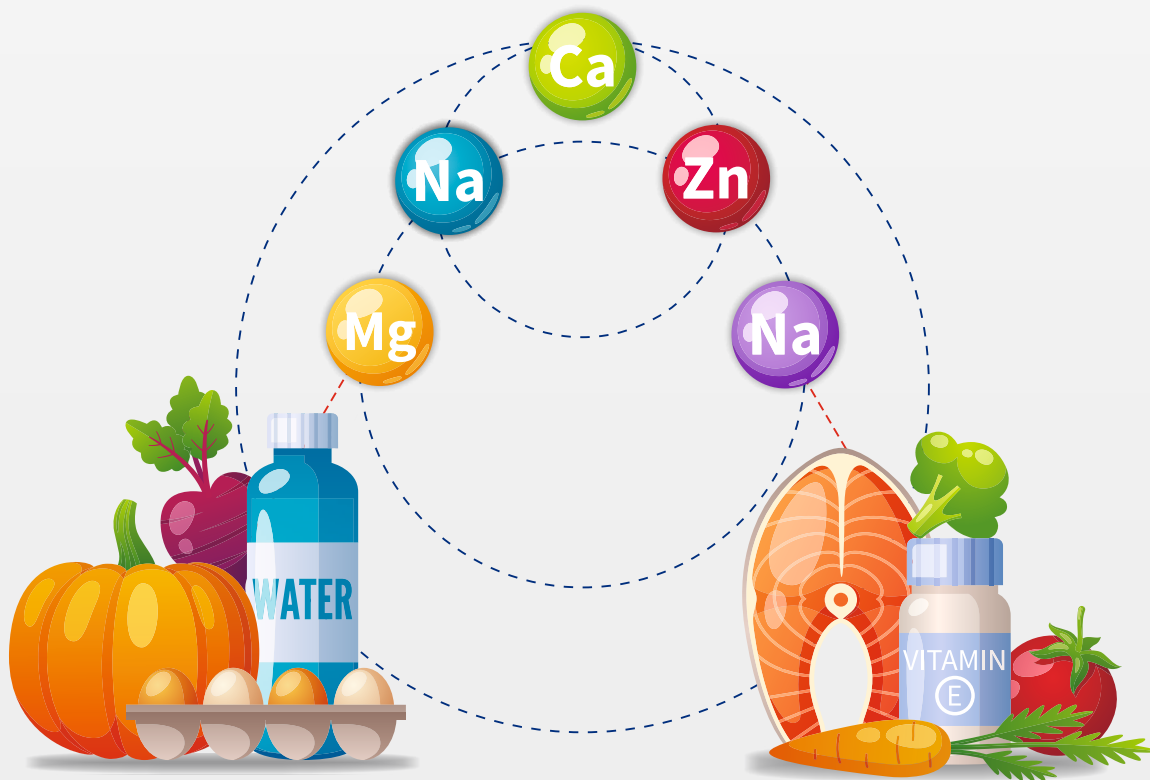

# Health & Nutrition

**Health  
and  
Nutrition**

The needs of people living with HIV are great, going far beyond nutritional and health care. They need extra emotional care and psychological support to cope with the implications of having a life-threatening disease, as well as the potential stigma from family and community members. Often, those who suspect or learn that they are HIV-infected feel helpless; they may become depressed and give up hope.

There are thousands of individuals who are suffering from this deadliest HIV and remain away from the mainstream. Mahesh Foundation has been working from the last 15 years to uplift the lives of infected people and to provide a dignified life. Mahesh Foundation's Ashakiran care home & Gokak Care & support center have made an impact on thousands of people living with HIV.

# A

## Care Home

The care home that started in a small house has been supporting over 2200 HIV-infected children now. Most of the children in the care home are orphans and were abandoned by their relatives. The care home is providing shelter, nutrition, healthcare, and education to HIV-positive children. From taking care of the children to providing all the facilities to the children this care home takes all the responsibilities of the children. We provide moral support to infected children so that the children can live their life happily. Several programs run by the care home have been benefitting these medically challenged children and brought a positive change among them.

- 
**Good Hygiene practices for children**  
 Along with a good education, children should know the importance of good hygiene. Shreya Kapadiya, a volunteer, has voluntarily conducted a session for girl children. She conveyed the importance of personal hygiene and suggested some daily routine personal hygiene tips to lead a healthy life.
- 
**World Health Day.**  
 Yoga is one of the best solutions for maintaining good health. On this occasion, the volunteers of the Mahesh Foundation arranged a yoga activity for the children. The children practiced yoga with the guidance of volunteers and learned the importance of yoga and its benefits in their day-to-day life.
- 
**Counseling by the CWC team**  
 The CWC team conducted counseling for our children. The team conveyed the importance of health education & overall growth to the children. Also, they interacted with children about the challenges faced by the children and suggested necessary changes.
- 
**Health Checkup Camp**  
 It's the need of the hour to assess and monitor the health of medically challenged children. NSS Special Unit - 9 students of Jawaharlal Nehru Medical College, Belagavi visited Mahesh Foundation and organized a General Health Camp for the children.
- 
**Safeguarding and Protection session by Dr. Neeta G**  
 Efficient protection is essential to the children's well-being because they are more exposed to problems of mistreatment, exploitation, discrimination and violence. It is especially in the case of medically challenged children. Dr. Neeta G conducted a session on Safeguarding and Protection.
- 
**Yoga session by Mr. Deepak Topinakatti**  
 One of our supporters Mr. Deepak Topinakatti yoga instructor Health and Family Welfare Department, Belagavi conducted yoga sessions for children. The various yoga asanas were instructed to the children which are essential to maintain their physical as well as mental health. And children actively practiced the yoga asanas.
- 
**Physical activities training for children.**  
 We provide all facilities and necessary training to our children for their physical and mental well being. During the Dasara vacations, one of our supporter Ex Commando Mr. Sudhir Naik and his team conducted physical activities training for children.

● **Sessions to bring out the change in children**  
**Confidence-building session**

Counselor Angeli Pandit Mental Health Resource Person and family counselor conducted a confidence-building session for our children. She interacted with children and guided them.

● **Counseling for children :**

Counseling helps children in all ways, be it academic, social, behavioral or emotional. So, we often provide counseling to the children for their overall development. Counselor Anjali Pandit explained the importance of Education and provided much-needed solutions for the challenges the children are facing in education.

● **Life Skills Education Session**

Life skills education helps children build confidence in both communication and cooperative and collaborative skills. Dr. Neeta from Miracle Foundation has been conducting several fruitful sessions and helping them to bring out the change in them. She conducted a Life skill education session on HIV awareness, study skills and stress management.

● **Career guidance & counseling session**

Shri. Girish Naganur conducted Career Guidance and Counseling Sessions for our children and took an aptitude test to know children's interests and knowledge about the subjects and suggested the right ways of choosing a useful platform for a bright career.

B

## Gokak Care & Support Center

Educating and assisting people about this deadliest HIV is not an easy task, it requires hard work, patience, and care. To guide and assist the people living with HIV mainly in the rural regions we established our Gokak CSC program through which we are supporting thousands of people living with HIV.

Our Gokak care and support center has been providing healthcare facilities and assistance to access various government programs for infected people and creating awareness about the disease

- 
**Advocacy and awareness program for HIV infected**  
 Gokak CSC team conducted an Advocacy and awareness program for the HIV-infected people in Gokak and surrounding areas. The advocacy and awareness program brought awareness about the Community Rights of the HIV-infected people.
- 
**District Administration, Belagavi honored Mahesh Foundation on World AIDS Day observation**  
 Mahesh Foundation has been working to provide quality healthcare and bring them to mainstream society. Gokak Care & Support Center has been established with this motive. The team working in this center has been serving 40000+ HIV-positive people in rural areas. Recognizing the humanitarian efforts, the District Administration, Belagavi honored Mahesh Foundation on World AIDS Day observation.
- 
**Review meeting at Gokak CSC**  
 We organized a review meeting for the Gokak CSC team members and discussed the challenges and the response of the initiative and suggested new implementations to reach more people in need.
- 
**Organized Social Group Meeting at Gokak CSC**  
 Our peer champions team at Gokak CSC conducted a Social Group Meeting at Gokak ARTC in which they interacted with people about ART adherence which is the most important factor in determining ART treatment success and long-term viral suppression and raised awareness about maintaining proper health and hygiene. With this initiative, we aim to eradicate the misconceptions related to HIV and provide moral support to people living with HIV.

# **Mahesh Foundation For Community**

**Mahesh  
Foundation  
for Community**

## Empowering women is key to building the future of the nation.

We focus on creating livelihood for women from marginalized communities and providing the needed training and skills to stand up on their feet. Hence, we conduct such sessions to build their capacity and guide them to become self-sustained. As a part of our women empowerment initiative, many teams of SKDRDP visited Mahesh Foundation. We organized sessions for these women to raise the importance of women empowerment, and the responsibilities of parents while raising their children and also introduced our women empowerment initiatives.

## Social Responsibilities of Youth

Youths are the weapon to bring transformation in the world. Our motive is to give awareness about their responsibilities and ensure their contribution in building a strong nation. Mr. Mahesh Jadhav, founder of Mahesh Foundation has addressed more than 2000 youth in various institutions to the date. This program is getting a good response as many youths are inspired by the thoughts of Mahesh Foundation and visiting Mahesh Foundation on their exploring visit. The inspired youth are also thinking of doing their bit to the destitute if possible, financially or as volunteers to share their knowledge to children.

## Medical Support

Mr. Sunil Singh Rajput belongs to a middle-class family he had taken a truck on loan and used to drive it for earning. He was the sole breadwinner of the family. All the family's responsibility was on his shoulder, all was going smoothly but one day he was diagnosed with mouth cancer which was on 3rd stage. He has stopped working and the family is struggling to survive. Now the income has totally stopped. Mahesh Foundation took the initiative supported him & paid his medical expenses.

### Helped the Needy Woman's Treatment

A 46-year-old Mrs. Supriya Paranjape was a resident of the Maratha colony, Tilakwadi, Belagavi. Her health condition became serious and suffered from multiple life-threatening diseases. She was a working woman but she lost her job during the COVID-19 pandemic. She has no savings to manage her treatment expenses. She has only one daughter who is currently studying Engineering and is unable to afford the treatment expenses. Mahesh Foundation has strived hard to help her recover soon by extending financial support. And provided financial support for her medical expenses.

### Education Support

Poor families are unable to afford the huge educational expenses of their children. This is one of the biggest obstacles in society. Komal Jayaram Pawar was a poor girl who lost her father at a young age. Komal was pursuing her 1st year of PUC. Managing all needs and the high educational expenses was not affordable for her mother. This made her think about her further education. Mahesh Foundation supported her to continue her education and paid her college fees.

### Daily Feeding Program

Under the Daily Feeding Program, we ensure daily food essentials for single orphans as well as underprivileged children. We have started this program and identified 800 economically backward children's families and provided the ration kits. This will encourage the children to continue their education as the lack of nutrition is becoming a major reason for dropping out. With the right nutrition, we help these families to live up to their potential.

Inspirational Talk

**Inspirational  
Talk**

We have been surrounded by so many great personalities who have been contributing their service to society and bringing tremendous change. To learn about their work and get motivated, we have organized the program Inspirational Talk. Every week, we invited a special guest and learned about their work, challenges faced and their life journey.

Inspirational personalities like **Mr. Babar Ali**, the youngest headmaster in the world, The Co-Founder & CEO of Vayavya Labs, **Shri. RK Patil**, **Shri. Abhimanyu Daga**, Vice President of Pyaas Foundation and many others visited Mahesh Foundation and motivated our team and children.

# A Word of Appreciation

## **Shri. M G Hiremath**

Regional Commissioner, Belagavi

A year ago Mahesh Foundation approached my office urging school permission. Considering their humanitarian service to uplift HIV-positive and underprivileged children, we have granted the school permission. Now, I feel we have given permission to the right institution. I assure you the possible support from the district administration as well as personally

Stories of Changes

**Stories  
of Change**

## A Ray of Hope for Needy Children

Shridhar was born in a small village called Yaragoppa of Bailhongal taluka of Belagavi district. He was having it all until the diagnosis of a deadly disease. He has two elder brothers and he was living happily with his family. But, at a very young age, Shridhar's mother left this world due to HIV disease. His father is the only hope for all three brothers, as days passed it was observed that his father was getting weak and was finding it difficult to continue with his routine work. Later when he was diagnosed, it was found that he too was infected by the same disease and that resulted in his death after suffering for two years.

Shridhar and his siblings were ignored by their relatives, there is no one left in the family to take care of the children. Due to the unavailability of proper care food, the kids were becoming weaker day by day. The kid's elder brother decided to enroll his both siblings in an orphanage. Shridhar and his brother were brought to Mahesh Foundation and enrolled in the ashakiran care home. Slowly children started recovering from the illness after enrollment and started living happily with new friends. Our care home environment totally changed their life by providing proper care, food, and healthcare services. Now Shridhar is one of the talented kids of our care home.

## Education for a bright future

Bhumika Sunilsingh Rajput belongs to a Middle-Class family and her father was the sole breadwinner. He had taken a truck on loan and used to Drive it for earning. Recently, her father was found to have Mouth Cancer which is on 3rd stage. He has stopped working and the family is struggling to survive. Now the income has totally stopped.

Bhumika Sunilsingh Rajput is a talented girl but was unable to continue her education because of financial problems in her family. Our team supported her education by paying her college fees as well as assuring her father's medical treatment.

## An effort to enlighten the life of the poor student

A student from a poor family whose father is facing health problems and unable to work hard to afford the school fees of his child. Education is light and lack of it is darkness. The student urged the Prayatna team for help.

The student was studying in 10th standard. As a support to his education, our Prayatna team decided to pay his school fees. Our endeavor to support the student who is interested to learn would create a bright future in the coming days.

## Helped the poor girl to continue her education

We are working to uplift needy families for the past many years and supporting them to become self-sustained. A girl from a poor family whose parents work hard to fulfill the needs of the family. While studying the 1st year of PUC Science the girl stopped going to college due to her appendix operation and directly faced her final exams and passed with good grades.

Due to their poor economic background, the family was unable to afford further educational expenses. Poverty shouldn't affect anyone's education. Our team helped to continue her education and admitted her to Siddarameshwar College Belagavi.

# Corporates at Mahesh Foundation

## **Officials of Dassault Systemes La Foundation visit Mahesh Foundation.**

Mr. Hemant Gadgil, Executive Director of La Foundation, Dassault Systemes and Mr. Praveen Bhagoji, CSR team Dassault Systemes visited Mahesh Foundation. They appreciated the facilities provided to the children and the initiatives taken by Mahesh Foundation. Also, they praised the utilization of the latest technology procured with the help of Dassault Systemes.

## **Praxair India Pvt. Ltd. (A Linde plc) officials handed over the School Bus.**

Praxair India Pvt. Ltd. (A Linde plc) officials from various places have visited Mahesh Foundation and handed over the school bus. Our supporter Linde Plc has supported us with a 56-seater school bus which will ease the conveyance of these children residing in Sagar Nagar, Rukmini Nagar and Ramteerth Nagar Slums in Belagavi.

## **Praxair India Pvt. Ltd. (A Linde plc) at the inauguration of Separate Girls Care Home**

Praxair India Pvt. Ltd. (A Linde plc) CSR team visited Mahesh Foundation and inaugurated the ground floor and first floor of the new building dedicated to girls. Linde Plc supported the construction under the CSR initiative. Director - Head of Marketing and Communications, Linde Plc Shri Bibhabasu Sengupta, Rituparna Ghosh and other officials were the chief guests at the event.

## **Linde Plc Senior officials inaugurated the Newly Setup Computer Classrooms**

On the occasion of the Computer Classrooms inauguration ceremony, the Linde Plc officials visited Mahesh Foundation and inaugurated the Classrooms. The Linde officials praised the work of the Mahesh Foundation and were happy with our initiatives. These computer classrooms would benefit 1000+ underprivileged children and needy women with digital education. With the support of Linde Plc under CSR initiatives, Mahesh Foundation set up New Computer Classrooms.

### **Officials of the ICICI Foundation visited Mahesh Foundation for School Bus Handover**

ICICI Foundation as part of their CSR initiative supported Mahesh Foundation with a 53-seater school bus in order to ensure a safe and comfortable mode of transport for these underprivileged kids. Currently, the school bus has been benefiting 275 underprivileged children living in various slums of Belagavi and studying at Utkarsha Learning Center. MLA of Belagavi North Shri. Anil Benake, Regional Commissioner Dr. M. G. Hiremath, Zonal Head of ICICI Foundation Shri. Venkatesh BK and other officials graced the event.

### **Inauguration of the MyBlood Laboratories Premises by SFS Group**

SFS Group's Indo-Schottle Senior Management and Indian Team visited Mahesh Foundation and inaugurated the MyBlood Laboratories Premises. They have been supporting the Mahesh Foundation in the setup of MyBlood Charitable Blood Center. CFO of SFS Group Mr. Volker Dostmann, Head of Division Automotive Mr. Alfred Schneider, SFS Group India Director of Operations Mr. Prashant Kore and other officials were present on this occasion.

### **The New India Assurance Co Ltd officials handed over the School Bus**

The New India Assurance Co Ltd is a Premier multinational general insurance company in India supported Mahesh Foundation in ensuring a safe transportation facility for the conveyance of underprivileged children coming to our school from various slums in Belagavi. On this occasion, Shri. Prakash M. Rewankar, the Deputy General Manager of The New India Assurance Company, Regional Office, Hubballi and other officials visited Mahesh Foundation.

### **The Belgaum Aqua Valves supported Dining Hall Inauguration.**

The Belgaum Aqua Valves Pvt. Ltd. has been one of the major supporters in the past 14 years of the journey. They have supported the setup of a dining hall in the newly built Separate Girls Care home. On the occasion of the inauguration of the Dining Hall, the Managing Director of The Belgaum Aqua Valves Shri. Anil Kavalekar, Director Ketan Kavalekar and other officials visited Mahesh Foundation and inaugurated the dining hall.

# A Word of Appreciation

## **Shri. Bibhabasu Sengupta**

Head of Communications and Marketing Linde Plc

We have been associated with Mahesh Foundation for the past 8 years and supported Mahesh Foundation's various initiatives. Starting from that small two BHK to this wonderful premises is an amazing journey. It has been a wonderful experience working with this beautiful organization.

Passion, Honesty and Integrity are three important things that a person should have to be successful in life. The Mahesh Foundation team has accomplished all these as they are strongly holding these qualities. I congratulate Mahesh Foundation for its 14 years of impactful journey.

# Volunteering Talk

## **Volunteering Talk**

“

We always need to take responsibility for our actions, and we have to learn how we can use our knowledge to create something more significant, helpful and sustainable. During my volunteering service at Mahesh Foundation, I learned lots of new things. I was really mesmerized by knowing their good cause and humanitarian service. I feel very happy that I got a chance to serve the children residing here.

**Amruta Hiremath**

“

I joined Mahesh Foundation as a volunteer and I can honestly say that it was one of the most memorable experiences of my life. The kids here are very active and talented, they are getting world class education. I feel very proud that I have been able to do something for these kids.

**Anoushka Ugar**

“

Thank you Mahesh Foundation for this wonderful opportunity. This volunteering service has given me a new experience, I really felt that I wish I could be a student at Utkarsha. The facilities given to the children here are the best I have ever seen in any other school.

**Anjali Suryavanshi**

# A Word of Appreciation

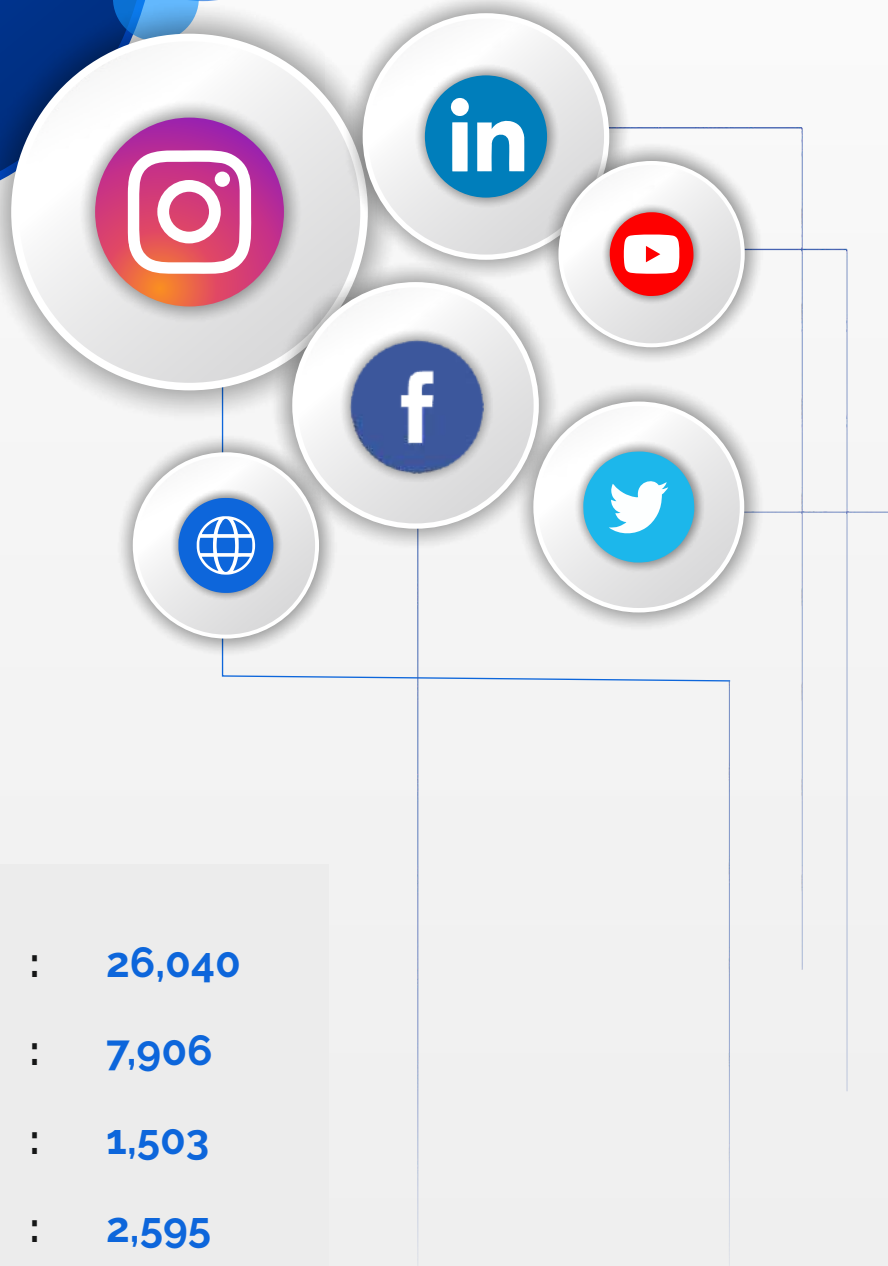

## **Shri. Ramchandra Rao**

former Chairman of Indo-Schottle Auto Parts Pvt. Ltd.

I am happy to associate with Mahesh Foundation. I still remember the initial days when these little kids were staying in a small house, now everything has changed and these kids are getting world-class facilities and living happily. This is because of the dedication and hard work of this wonderful organization.

The education children get here is world-class. I loved the school environment and facilities. These children are very lucky that they are getting such quality facilities and the best education. I wish them all the best in their future endeavors.

We are happy to associate with Mahesh Foundation which has been rendering humanitarian services to HIV-infected and underprivileged children for the past 14 years. I am delighted to see their activities. Appreciations to their efforts in providing these quality facilities and all the best to you for your future endeavors

# A Word of Appreciation

## **Shri. R C Kaushik**

**Country Head of Sales, Linde Plc**

Unfortunately, I could not visit this great place earlier, the way you think to educate the people and needy in society is really a great job. We always believe in empowering the community and society. We will keep doing that. Our association with Mahesh Foundation will be continued and we assure you all possible support in the coming days. I thank Mahesh Foundation for giving us this opportunity to be a part of this precious cause. We would love to be associated with this organization to support these lovely children.

## **Shri. Anil Benake**

**MLA, Belagavi North**

Mahesh Foundation's school is now much better than even a corporate school. They struggled a lot in their earlier days in a small house but now the children are enjoying all the facilities it has been possible because of the zeal and dedication of Mahesh Foundation to help these needy children. The Mahesh Foundation is an internationally recognized organization making our city proud. I assure Mahesh Foundation that I will continue to support their future endeavors in the best possible manner.

## **Shri. Venkatesh BK**

**Zonal Head, ICICI Foundation**

Mahesh Foundation's work for HIV-positive and underprivileged children has been commendable. We are happy to associate and work with Mahesh Foundation. ICICI Foundation has been working for the inclusive growth of needy people and we are very much eager to work in Belagavi. Through this initiative, Mahesh Foundation has given us an opportunity.
