School Kit Sponsorship

**A School Kit
₹ 500/-**

**School Bag, Books
and Stationery item etc**

It covers the school essentials that are needed for a child such as a school bag, stationery items and notebooks. Education in government schools is free but the children have to buy their essentials. Hence, we provide these school essentials to those underprivileged children who couldn't afford them.

The children leave schools for unimaginable reasons like lack of note books, pens, pencils or inability to pay the expenses of stationery. Your contribution would help us to fulfil the school needs of underprivileged children and reduce dropout rates. To the date, we have reached thousands of underprivileged and provided school kits.
