

Mahesh Foundation Premises
A hope for thousands
of underprivileged Children.

SCHOOL TRANSPORTATION

Mahesh Foundation provides transportation facilities to the children who are coming from slum and other distant locations.

UTKARSHA LEARNING CENTER

We have been providing skill based education to medically challenged and underprivileged slum children. More than 200 children are getting free education.

SCHOOL PRAYER AT ACTIVITY AREA

The activity area is also utilized as the prayer area of Utkaraha Learning center. The children start their day at school with prayer.

BASIC CLASSROOM

It's a skill-based education in which we focus on developing the skills of children that help them to become self-sustained in the future.

HIGHER CLASSROOM

Along with formal education, a skill-based learning environments and facilities have been provided from Nursery Classes to 5th Standard.

PLAY GROUND

As the overall development of the children matters the most, the children are involved in the play.

LIBRARY

The library has a lot of books on various subjects that children are interested. Children come, explore the books and read themselves.

BOYS DINING AREA

Separate dining area has been provided to boys and girls. A glimpse of Boys dining area which has the capacity of 50+ children can have meal at a time.

GIRLS DINING AREA

As a part of Separate Care Home for Girls, a separate dining area has been provided to them which is also has the capacity of 50+ children can have meal at the same time.

DRINKING WATER FACILITY

We at Mahesh Foundation provided pure drinking water facility for the children. Children of our school, care home and community children are benefited from this.
