A Message From President

As we reflect on the recent milestones and activities at Mahesh Foundation, I am filled with immense gratitude and pride for the unwavering support of our partners, volunteers, and donors. Together, we have taken significant strides toward transforming lives and empowering underprivileged communities.

One of our key achievements this November 2024 has been the expansion of transportation and skill development facilities. Through the generosity of the General Insurance Corporation of India (GIC Re), we now have two school buses and Nayi Umeed BPO Center for underprivileged women.

Our health initiatives continue. The introduction of the Blood Collection and Transportation Vehicle, supported by The New India Assurance Co. Ltd., enhances our ability to efficiently collect and deliver blood to those in need. This was inaugurated by Honorable PWD Minister Shri Satish Jarkiholi, reaffirming the importance of accessible healthcare resources.

We also organized multiple blood donation camps in collaboration with organizations like Rotary Club of Venugram, Tarun Bharat Gharkul, and The Belgaum Aqua Valves Pvt. Ltd. These events saw tremendous participation, saving countless lives and strengthening community spirit.

Our work would not be possible without the dedicated efforts of our team, the generosity of our supporters, and the trust of the communities we serve. As we continue to grow, let us remain united in our mission to build a brighter future for those in need.

Warm regards,

GIC Re Supports Mahesh Foundation with 2 School Buses and Nayi Umeed BPO Center

Under the CSR initiative, General Insurance Corporation of India (GIC Re) extended its support to Mahesh Foundation by donating two school buses, ensuring safe and reliable transportation for underprivileged children and also supported the setup of Nayi Umeed BPO Center. These buses will directly benefit 300 children, enhancing their access to education at Utkarsha School whereas BPO Center will benefit 50 underprivileged women directly and 2000 women indirectly.

To commemorate this celebration, GIC Re officials, Shri. Mukesh Waghela, DGM, GIC Re, and Mrs. Rajashree Kedare, Chief Manager, GIC Re visited Mahesh Foundation.

A Vision for the Future: 3D Renders of Mahesh Foundation's New School Building

Mahesh Foundation is delighted to share with you the 3D renders of our ambitious New School Building, to educate 2,000 underprivileged children. This school is designed by well-known architect Alok Shetty. The school design integrates modern facilities ensuring an inspiring and nurturing environment for learning and growth. We are grateful to architect Alok Shetty for this wonderful design of our ambitious school.
