MONTHLY ACTIVITIES REPORT

May 2025

A Message From President

It gives me immense pride and joy to share with you the highlights of May 2025—a month filled with impactful initiatives, meaningful engagements, and unwavering commitment to our mission of transforming lives.

This month, we continued our tradition of distributing free educational materials to thousands of Utkarsha School children, ensuring no child is left behind due to lack of resources. From school bags to uniforms, every item symbolizes our promise of equal opportunity and inclusive education.

At our Care Home, children immersed themselves in enriching activities that nurtured their creativity, confidence, and emotional well-being. Whether it was the no-fire cooking activity, art and craft, the joyful Chandanvan trip, or the heartfelt Mother's Day celebration etc.

Our MyBlood Charitable Blood Bank continued its life-saving work with the support of generous donors. Special drives, including one in memory of Shri Suresh Hundre and another for the armed forces. We were also honored to welcome distinguished visitors such as Mr. Vikas Bhagotra from SBI and Mr. Niranjana Raje Urs, DCP of Belagavi City, whose encouragement strengthens our resolve.

I extend my heartfelt gratitude to all our partners, donors, staff, and volunteers for their constant support. Let us continue walking this path together—with hope in our hearts and impact in our actions.

Mahesh Fadnis

Warm regards,

Health

Care Home

At Mahesh Foundation's Care Home, children engaged in a variety of enriching activities designed to support their holistic development. A fun and safe no-fire cooking activity encouraged creativity, teamwork, and basic culinary skills, while an imaginative art and craft session had them creating beautiful flowers from card sheets, enhancing their fine motor skills and artistic expression.

These hands-on experiences were not only educational but also fostered joy and self-confidence. Additionally, a heartfelt Mother's Day celebration allowed the children to express love and gratitude through handmade cards, songs, and performances, making it a memorable occasion of emotional bonding.

The children also enjoyed a refreshing one-day trip to Chandanvan in Hukkeri, filled with games, exploration, and shared laughter in a natural setting—providing a much-needed break and strengthening their social bonds. Complementing these activities, a counselling session conducted by Anjali Pandit offered emotional support and guidance, helping children navigate their feelings and build a positive mindset.
