

MONTHLY ACTIVITIES REPORT

February 2025

Mahesh
Foundation

We care for Uncared

A Message From President

February was a month of milestones for Mahesh Foundation. We were honored at the National Family Summit in New Delhi for our commitment to family-based care, reinforcing our mission to ensure every child grows up in a nurturing environment.

At Utkarsha School, students participated in FA 4 exams, financial literacy activities, and a traffic rules awareness session, alongside celebrating Chhatrapati Shivaji Maharaj Jayanti. Through our Aadhar Vidya Program, we distributed school bags to government school children in Bengaluru, supporting their education.

Our MyBlood initiative, in collaboration with Rotary Club of Venugram-Belgaum, organized blood donation camps, collecting over 50 units of blood, potentially saving 150+ lives.

We welcomed Mrs. Aparna M. Kolla from the Karnataka Child Rights Protection Commission, who praised our facilities and child protection efforts. A major milestone was our CSR partnership with Ashoka Iron Group, launching initiatives in education, healthcare, and skill development.

Additionally, we hosted a Solid Waste Management session with Hasirudala, and nursing students from Nomani Hospital visited to learn about our healthcare initiatives.

Thank you for your continued support in making a lasting impact. Together, we are building a brighter future for children.

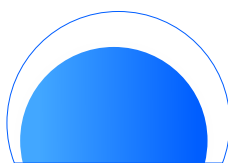

Mahesh Jadhav
President, Mahesh Foundation

Maresh Foundation Honored at National Family Summit for Promoting Family-Based Care

At the inaugural National Family Summit in New Delhi, Maresh Foundation was honored and recognized for its outstanding efforts in promoting family-based care for every child. This recognition at the National Family Summit further strengthens our resolve to continue advocating for family-based care, empowering children with opportunities to thrive and build a brighter future. Our journey has been fueled by the collective efforts of our team, partners, and well-wishers who share our vision of a world where no child is left without a loving home.

We sincerely appreciate the efforts of Miracle Foundation India in championing this cause and for their invaluable support in making a difference in the lives of vulnerable children. This honor is not just a milestone but a reminder of the work that still lies ahead.

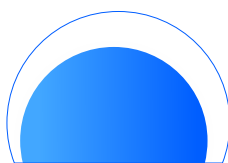

Education

Utkarsha

At Utkarsha School, we recently conducted the FA 4 (Formative Assessment 4) Exam, providing students with an opportunity to evaluate their learning progress while enhancing critical thinking and problem-solving skills. Alongside academics, students also engaged in various interactive activities that enriched their practical knowledge.

They enthusiastically participated in a vegetable market activity, gaining hands-on experience in financial literacy by understanding budgeting, negotiation, and the value of money. Additionally, an engaging session on traffic rules helped students learn about road safety, traffic signals, and responsible commuting through role-playing and real-life scenarios.

The school also celebrated Chhatrapati Shivaji Maharaj Jayanti with great pride and enthusiasm, honoring the legendary warrior's leadership, bravery, and contribution to Swarajya. Through this celebration, students were inspired to embrace his ideals of courage, justice, and determination. Such activities not only deepen their historical awareness but also instill important life skills and values, fostering their overall growth and development.

Aadhar Vidya Program

Maresh Foundation Distributes School Bags to Govt. School Children in Bengaluru

Maresh Foundation distributed school bags to the children of Govt. School, Kakolu, Bangalore, under the School Support Program. A small step towards ensuring every child has the resources to learn and grow. We believe that education is the key to a brighter future, and we are committed to supporting young minds on their journey of learning.

Health

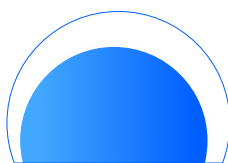

Care Home

The children of Mahesh Foundation showcased their talents at the prestigious KLE Daayitvam event, a platform dedicated to celebrating the abilities of special children. With enthusiasm and determination, they impressed the audience with their creativity and spirit.

Alongside this, they engaged in various artistic activities such as Pot Painting and Pencil Sketching, where they expressed their imagination through vibrant colors and detailed sketches. These activities not only nurtured their artistic skills but also served as a therapeutic and confidence-building experience.

Additionally, the children participated in an online career counseling session conducted by Vijay Lalita Ma'am, which provided valuable insights into different career paths, helping them identify their strengths and aspirations. To add fun and excitement, a Balloon Balancing activity was organized, enhancing their coordination, concentration, and teamwork while bringing joy and laughter.

Through these diverse activities, Mahesh Foundation continues to foster creativity, learning, and personal growth among the children.

Health

MyBlood Charitable Blood Center

Mahesh Foundation, in collaboration with the Rotary Club of Venugram-Belgaum, organized a successful Blood Donation Camp at Mahaveer Bhawan, Belagavi, where more than 50 units of blood were collected, potentially saving over 150 lives. Generous donors stepped forward at MyBlood Charitable Blood Bank, showcasing their compassion and commitment to saving lives. Their selfless contributions ensure that patients in need of urgent blood transfusions receive timely support, preventing loss of life due to shortages.

Further strengthening this cause, MyBlood Charitable Blood Center, in partnership with the Rotary Club, hosted another blood donation camp during the 14th edition of the Rotary Belagavi Marathon. This event highlighted the importance of community participation in life-saving initiatives and encouraged people to contribute towards a greater good. We extend our heartfelt gratitude to the Rotary Club of Venugram, Belgaum, and all the donors who played a crucial role in making these camps a success.

Visits & Events

Mrs. Aparna M. Kolla, a member of the Karnataka Child Rights Protection Commission, paid a surprise visit to Mahesh Foundation and praised its well-equipped facilities and the use of technology in enhancing children's learning. She also commended the foundation's commitment to child protection protocols, ensuring a safe and nurturing environment for the children.

In another significant development, Mahesh Foundation proudly partnered with Ashoka Iron Group under a CSR initiative to implement key programs, including a school, a skill development center, a community health center, and a livelihood center to uplift underprivileged communities. The MoU was signed by Mr. Jayant Humbarwadi, Joint MD of Ashoka Iron Group, and Mr. Mahesh Jadhav, President of Mahesh Foundation, marking a major milestone in this collaboration.

Additionally, Mahesh Foundation hosted a Solid Waste Management session conducted by Hasirudala representatives, educating staff and volunteers on effective waste segregation, recycling, and sustainable disposal methods. The foundation also welcomed nursing students from Nomani Hospital, Belagavi, who visited to understand its healthcare initiatives and social responsibilities. This visit provided them with valuable insights into the foundation's efforts in supporting underprivileged children, further strengthening the bridge between healthcare and social welfare.

Hasirudala Conducts Solid Waste Management Session for Mahesh Foundation Staff & Volunteers

Mahesh Foundation is proud to partner with Ashoka Iron Group under a CSR initiative.

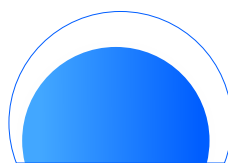

Through this collaboration, Mahesh Foundation will implement key programs, including the establishment of a school, a skill development center, a community health center, and a livelihood center, aimed at empowering underprivileged communities.

The MoU was formally signed by Mr. Jayant Humbarwadi, Joint MD of Ashoka Iron Group, and Mr. Mahesh Jadhav, President of Mahesh Foundation, in the presence of officials from both organizations, marking a significant milestone in this collaboration.
