A Message From President

In May 2024, we have made remarkable progress and heartwarming activities that have transpired at Mahesh Foundation over the past month. I am filled with immense pride and gratitude. Our collective efforts have continued to foster a vibrant community dedicated to service, education, and health.

The surge in voluntary blood donations at MyBlood Charitable Blood Bank signifies a growing awareness and commitment to saving lives. Each donor's visit is not just an act of generosity but a vital contribution to the healthcare system. The Utkarsha Learning Center welcomed 400 new students for the 2024-25 academic year. Our capacity-building session for teachers has equipped them with innovative pedagogical strategies.

Our healthcare programs have also seen vibrant participation. The children engaged in creative painting activities, a motivational movie outing, and a heartfelt Mother's Day celebration, all fostering creativity, inspiration, and a sense of belonging. In our continuous effort to bridge the digital divide, the Aadhar Vidya Program has expanded computer education classes, empowering underprivileged children with essential skills for a brighter future.

The visits from students of KLS Public School, Shaikh Medical College, and Vijaya Nursing College have fostered a sense of social responsibility and compassion among young people. These interactions not only raise awareness about HIV/AIDS but also instill values of empathy and societal contribution.

As we move forward, I am confident that our combined efforts will continue to make a significant impact. Thank you for your unwavering support and dedication. Together, we are creating a brighter, healthier, and more compassionate future.

With gratitude and warm regards,

Mahesh Jadhav
Founder

The Impact of Voluntary Blood Donation at MyBlood Charitable Blood Bank

The surge in voluntary blood donations at MyBlood Charitable Blood Bank signifies a growing awareness of the critical role that blood donation plays in healthcare. Each visit by an individual donor represents a profound commitment to community well-being and the preservation of life. The influx of donors reflects a collective understanding that donating blood is not just a generous act, but a vital necessity for sustaining medical treatments and emergency responses.

With every donation received, MyBlood Charitable Blood Bank enhances its capacity to save lives and provide hope to patients facing urgent medical situations. The blood collected is pivotal in treating a wide array of conditions. This generous flow of blood donations ensures that hospitals and clinics are better equipped to manage emergencies and perform life-saving procedures.

Education

Maresh Foundation Hosts Parents Orientation Meeting for Utkarsha Learning Center

The Maresh Foundation's Utkarsha Learning Center, having enrolled 400 additional children for the 2024-25 academic year along with a current strength of 640. We organized an orientation meeting for parents to discuss their vital roles and responsibilities in their children's educational journey.

Parents were encouraged to foster a positive attitude towards learning, monitor children's activity, and participate in school events, ensuring a collaborative effort between the school and home. It also raised awareness about the importance of education among them.

Empowering Educators: Capacity Building Session for the New Academic Year 2024-25

In preparation for the New Academic Year 2024-25, we conducted a comprehensive capacity-building session for our teachers at Mahesh Foundation. This session aimed to equip our educators with the latest pedagogical strategies, innovative teaching methodologies, and effective classroom management techniques. By enhancing their skills and knowledge, we are committed to fostering an enriching learning environment that supports the holistic development of our students.

Health

Children's Creativity Through Vibrant Painting Activity.

Under the guidance of the art teacher, the children at Mahesh Foundation enthusiastically engaged in a vibrant painting activity. They explored different painting techniques and experimented with mixing colors reflecting their unique creativity. Through this creative expression, the children not only enjoyed themselves but also discovered the joy of artistic exploration.

Inspiring Biopic of Srikanth Bolla: A Motivational Movie Outing for Our Children

Srikanth is a biographical film of the inspiring journey of Srikanth Bolla, visionary Indian industrialist, who defied all odds as a visually-impaired entrepreneur, carving his path to success. As this will surely inspire everyone, we took our children to this movie. The film was not only an engaging experience for the children but also a powerful source of motivation.

Gratitude and Love: Mahesh Foundation's Heartfelt Mother's Day Celebration

The Mother's Day celebration at Mahesh Foundation was filled with gratitude as the children gathered to honor their caretakers and the supporting team. This day was a beautiful reminder of the power of love and compassion in creating a sense of belonging and family within the Mahesh Foundation.

Art and Craft Creative activity by TATA AIG Team

The TATA AIG team visited the Mahesh Foundation. Engaging with the children, the team conducted activities of art and craft sessions. Beyond just a day of fun, these activities provided the children with a creative outlet and a chance to express themselves. We, Mahesh Foundation express our thankfulness to TATA AIG for taking out their valuable time to visit us and creative activity for the children.

Ball Basketing Activity for Children for Physical and Mental Growth

At the Mahesh Foundation, children participated in an engaging and lively ball basketing activity, fostering both physical and mental development. The event was filled with enthusiasm as the children eagerly aimed to toss balls into baskets, improving their hand-eye coordination and motor skills.

Mahesh Foundation Children Enjoy Engaging Coordination Game

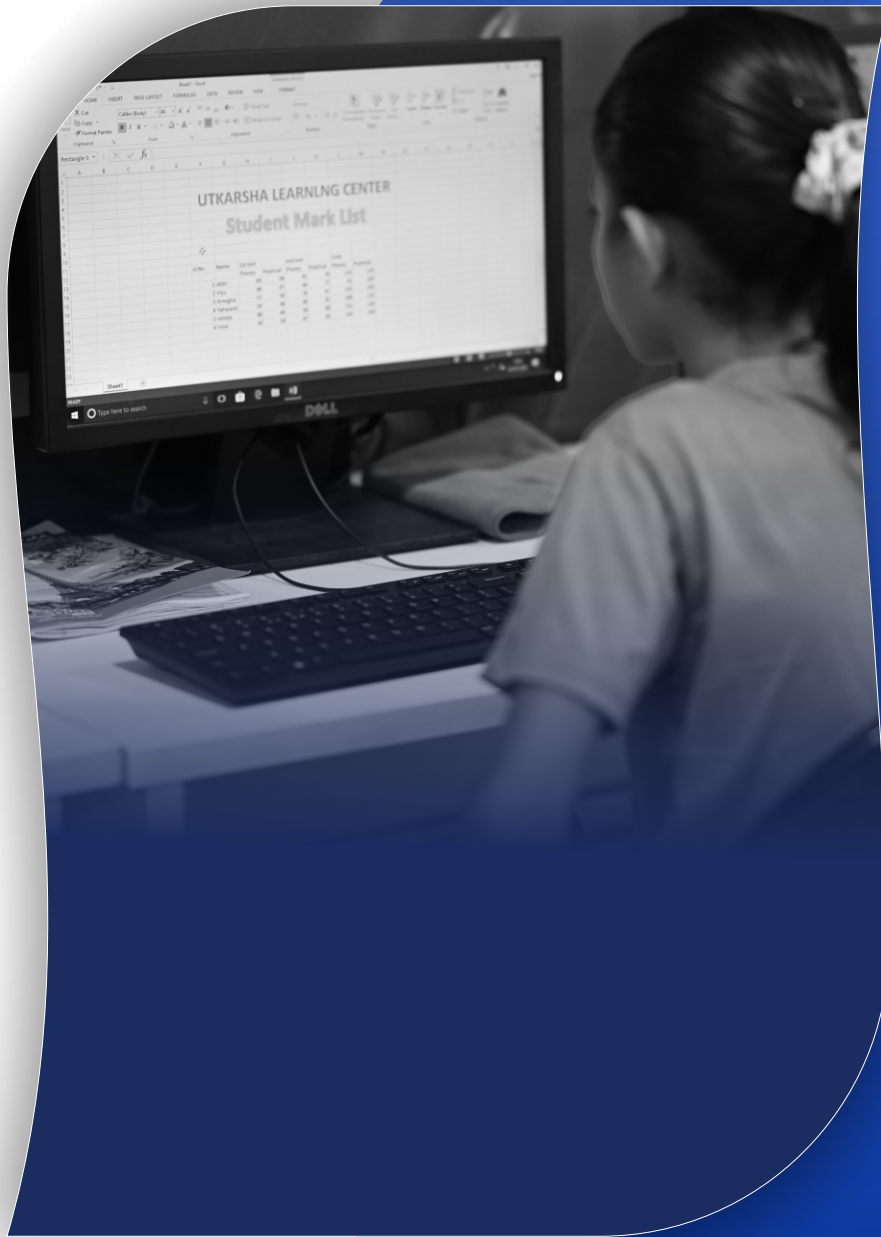

At Mahesh Foundation, the children actively participated in a delightful game that fostered balance and coordination. Gathered in a semi-circle, they watched with anticipation as one child confidently walked along a straight line marked by traffic cones. This engaging activity not only promoted physical skills but also encouraged teamwork and focus.

Celebrating 20 Years of Free ART: Honoring Gokak and Raibag Centers for Pioneering HIV Care

Free ART, for HIV-positive people was started in 2004 which is one of its kind of pivotal healthcare programs. The journey was started with one ART centre at Gokak Government Hospital and now there are 71 ART, 294-LAC and there are 82 TI come DSD centre number across the state.

To commemorate the remarkable milestone of a 20-years journey of Mahesh Foundation expressed appreciation to ART Centers in Gokak and Raibag. We handed over the appreciation letter in both centers. We are grateful to these services of the Karnataka State AIDS/Prevention Society and for their efforts.

Community Engagement

An initiative to provide Essential Computer Education

The Aadhar Vidya Program initiated by the Mahesh Foundation aims to empower underprivileged children with essential skills for a brighter future, and computer education is one such skill that we have been providing to the children. Through this initiative, children are equipped with the knowledge and proficiency of computers, opening doors to opportunities previously beyond their reach.

Continuing on our mission to transform the lives of underprivileged boys, the Aadhar Vidya Program by the Mahesh Foundation has expanded computer education classes to more children. Through a comprehensive approach to digital education, the program aims to empower children from disadvantaged backgrounds to access the digital world and learn about technology.

Engaging Mind Game Activity for Community Children

At Mahesh Foundation, community children engaged in a stimulating mind game activity. Guided by skilled art instructors, the children explored various cognitive challenges designed to enhance their critical thinking and problem-solving abilities.

Exciting Hand and Feet Hopscotch Game for the Children under Community Program

Our community program aims to ensure skill-based education. However, to provide moments of entertainment, we organized a hand and feet hopscotch game. With eager anticipation, the children took turns hopping and jumping, gracefully following the pattern with their feet while swiftly reaching for balance with their hands.

Mahesh Foundation Supports Diploma Student with Laptop for Her Academic Journey

The Mahesh Foundation provided essential support to a diploma student by generously equipping her with a laptop for her studies. This act of kindness empowers the student to pursue her academic goals with greater ease and efficiency. We wish the student all the best in her future endeavors.

Visits & Events

KLS Public School Students Embrace Social Responsibility and HIV/AIDS Awareness

The students of KLS Public School, Belagavi, recently paid a visit to Mahesh Foundation. During their time with us, we introduced them to our various programs and activities, fostering a sense of social responsibility among them. Through interactive sessions, the students not only gained insight into the importance of understanding and combating the stigma surrounding HIV/AIDS but also embraced their role in promoting social responsibility.

Learning and Contributing for Societal Betterment: Shaikh Medical College Students at Mahesh Foundation

As part of their social responsibility, students from Shaikh Medical College in Belagavi visited the Mahesh Foundation. During their visit, they actively learned about the foundation's work and the importance of contributing to societal betterment. Such initiatives are crucial for fostering values of compassion and responsibility among young people.

Vijaya Nursing College Students Explore Social Responsibility at Mahesh Foundation

The students of Vijaya Nursing College, Belagavi, visited the Mahesh Foundation, where they deeply engaged with the concept of social responsibility. Observing the foundation's impactful work firsthand, they gained valuable insights into the significant effects of serving society.
