

MONTHLY ACTIVITIES REPORT

March 2025

**Mahesh
Foundation**
We care for Uncared

A Message From President

As we reflect on the month of March, we are filled with a profound sense of gratitude and pride for the continued progress and impact of our initiatives at Mahesh Foundation. This month has been a testament to the collective efforts of our team, partners, and the communities we serve. From empowering children with educational resources and fostering creativity to promoting sustainability through renewable energy, we are steadily advancing towards our mission of making a meaningful difference in the lives of those in need.

We are especially honored by the selfless contributions of individuals and organizations who have joined us in our cause. Whether it's the generous blood donations from the Belagavi Police Department or the strong collaboration with HESCOM in transferring surplus solar energy, these acts of service reflect the heart of what we stand for—community, compassion, and service. Our celebration of women, who continue to drive change with dedication and strength, further underscores the core values that guide us.

I extend my heartfelt thanks to each and every one of you who has played a part in these accomplishments. Let us continue to work together, innovate, and inspire as we move forward with even greater determination and passion in the coming months.

With deep appreciation,

Mahesh Jadhav
President, Mahesh Foundation

Inauguration of Smartboards Supported under CSR initiative by Satish Sugars Limited

Youth Leader Shri. Rahul Satish Jarkiholi, MLA of Belagavi North Shri. Asif (Raju) Saith, Smt. Asmita Bhairagowda Patil, Corporator, Ward No. 48, Belagavi, Shri. Ravi Bhajantri, BEO of Belagavi City, and Shri. Zakir Pasha Kalimichi, CPI at Malmaruti Police Station, Belagavi visited Mahesh Foundation and inaugurated our smart classes at Utkarsha School.

The newly inaugurated smart classes at Mahesh Foundation stands as a beacon of hope, poised to transform the lives of 150 children. This facility provides not only essential education, fostering intellectual growth and academic achievement, but also vital digital education, equipping these children with practical and interactive learning abilities for future self-sufficiency.

Utkarsha

At Utkarsha School, an interactive demo session on chemical liquid elements engaged students in hands-on learning, allowing them to explore various liquid elements, their properties, and reactions. This session provided a deeper understanding of fundamental chemistry concepts through practical experiences, sparking curiosity and enhancing their scientific knowledge. Additionally, a learning activity focused on Kannada Ottaksharagalu (conjunct consonants) helped students improve their reading and writing skills. Through interactive methods, the students gained a better understanding of these letter combinations, fostering their linguistic development.

The school also successfully conducted the Final Examinations (SA 2), marking the end of the academic year. Students demonstrated their dedication and hard work during the assessments, which will help evaluate their strengths and areas for improvement. The results from these examinations will guide the students' progress, contributing to their growth and shaping a brighter future for them.

The Final Examinations (SA 2) were successfully conducted for the children at Utkarsha School, marking the culmination of their academic year. The students showcased their hard work and dedication. This assessment will help evaluate their strengths and areas for improvement, guiding them toward a brighter future.

Aadhar Vidya Program

Mahesh Foundation has extended its support to underprivileged students in Bengaluru through the distribution of school kits. In Kittanahalli, over 100 government school students received school bags, equipping them with essential learning tools to help make their educational journey easier and more encouraging. Similarly, in Ravutanalli, more than 150 students at Government Kannada Primary School were provided with school kits, ensuring they have the necessary materials to continue their education. These initiatives aim to motivate students and ensure they have the resources they need to pursue their studies with confidence.

Education

Care Home

The children at our Care Home recently engaged in a variety of fun and enriching activities that fostered creativity, concentration, and teamwork. They participated in the Ball & Glass Straight-Line Challenge, where they rolled a ball toward a glass, enhancing their focus and coordination. In another activity, the Straw & Bangle Balancing Game, they carefully balanced and transferred bangles using only a straw in their mouths, which helped improve their patience and teamwork. Additionally, a General Knowledge Quiz sparked their curiosity, encouraging critical thinking and a love for learning, while the Art & Craft session allowed them to express their creativity through Cat Making, resulting in adorable handmade figures.

Our Care Home also hosted a mentoring visit by the Miracle Foundation, who provided valuable guidance to enhance our programs. Their team engaged with both the children and staff, reinforcing best practices in child development and education. To ensure the well-being of the children, a Monthly Health Check-Up was conducted by experienced healthcare professionals, focusing on growth, nutrition, and overall health. These activities and visits are part of our ongoing commitment to the children's development, health, and happiness, ensuring a holistic approach to their care and education.

Ball & Glass Straight-Line Challenge: A Fun-Filled Activity.

Straw & Bangle Balancing Game: A Test of Skill and Focus.

General Knowledge Quiz: A Fun Learning Experience.

Art & Craft: Creative Cat Making

Mentoring Visit by Miracle Foundation: Strengthening Our Impact.

Monthly Health Check-Up: Ensuring Well-Being.

MyBlood Charitable Blood Center

Mahesh Foundation's MyBlood Charitable Blood Bank has been at the forefront of organizing life-saving blood donation camps in collaboration with various organizations and individuals. Recently, Belagavi Police officials, including Head Constable Mr. Ramesh Madiwalar and other officers, donated blood in memory of his late son, Yashaswi, marking the 2nd death anniversary. This noble act was joined by DCP Mr. S. Y. Patil, Inspectors Mr. K. A. Ganji, and Mr. S. K. Biradar, reflecting their commitment to both public service and saving lives.

Additionally, in partnership with SFS Group India Pvt. Ltd., a blood donation camp was held at their Hattargi plant, where generous donors helped collect enough blood to potentially save 150 lives. The enthusiastic participation of students at Angadi Institute of Technology and Management further highlighted the community's dedication to this noble cause.

These blood donation camps are a testament to the compassion and generosity of the Belagavi community. Every unit of blood donated contributes to a future where no life is lost due to a shortage of blood. Mahesh Foundation expresses deep gratitude to all donors, whose selfless actions will provide essential support to patients in need of urgent transfusions. Their collective contribution strengthens the foundation's mission to provide life-saving resources and make a meaningful difference in the lives of many.

Visits & Events

Mahesh Foundation continues to make strides in sustainability and community welfare. Recently, the foundation signed an agreement with HESCOM to transfer surplus electricity generated by its 60 kV solar grid. This initiative ensures that excess solar power, produced through renewable energy, is effectively utilized for public benefit. The agreement, signed with HESCOM's Chief Executive Engineer of the Belagavi Division, marks a significant step toward self-sufficiency in electricity and contributes to HESCOM's goal of providing an uninterrupted power supply. This move highlights Mahesh Foundation's commitment to environmental sustainability and supporting public infrastructure.

In addition to its environmental initiatives, Mahesh Foundation celebrates the invaluable contributions of women, who form the backbone of its success. On Women's Day, the foundation honored the dedication, compassion, and resilience of the women driving change within the organization. Furthermore, students from Bethany English Medium School visited Mahesh Foundation to learn about social responsibility, HIV/AIDS awareness, and adolescent education, fostering empathy and a sense of responsibility. The foundation also celebrated Holi with the children and staff, sharing joy and togetherness through vibrant colors and festive spirit. These initiatives reflect Mahesh Foundation's commitment to education, empowerment, and community engagement.

Mahesh Foundation Signs Agreement with HESCOM, to transfer surplus electricity.

We, at Mahesh Foundation, have a 60 kW solar grid, enabling us to produce renewable solar energy. With this initiative, we have achieved self-sufficiency in electricity.

The surplus electricity generated by our solar grid will be transferred to HESCOM, ensuring that excess power is utilized effectively for public benefit. In this regard, an agreement was signed with HESCOM, represented by the Chief Executive Engineer of the Belagavi Division.

We take immense pride in being self-sustainable in electricity and in supporting HESCOM's efforts to serve the public with uninterrupted power supply.

Celebrating the Strength and Contributions of Women at Mahesh Foundation.

Bethany English Medium School Students Visit Mahesh Foundation.

Mahesh Foundation Celebrates Holi with Joy, Colors, and Togetherness.

Mahesh Foundation joyfully celebrated the festival of colors, Holi, with great enthusiasm and togetherness. The children and staff came together to spread happiness by playing with vibrant colors, and enjoying the festive spirit.
