A Message From President

As we reflect on the month of August, I am filled with immense pride and gratitude for the spirit, dedication, and enthusiasm demonstrated across all our initiatives at Mahesh Foundation. This month has been a vibrant celebration of education, culture, community service, and holistic development, reflecting our unwavering commitment to empowering underprivileged children. Our schools, The Hillside and Utkarsha, have showcased remarkable progress, with students actively engaging in assessments, cultural performances, and skill-building activities. From the Periodic and Formative Assessments that strengthened learning outcomes, to skits, role plays, and celebrations such as Krishna Janmashtami and Raksha Bandhan.

Equally inspiring are the efforts of our MyBlood initiative, which successfully organized multiple blood donation camps this month. Beyond education and health, our events focusing on child care, spirituality, and community engagement have been truly enriching. Visits from organizations such as SKDRDP have further strengthened collaboration, knowledge sharing, and mutual understanding in our collective mission to serve society.

As we move forward, I am confident that the seeds of learning, compassion, and service sown this month will continue to flourish, inspiring both our children and the community. I extend my heartfelt appreciation to our staff, volunteers, donors, partners, and, most importantly, our children, for making this journey meaningful and impactful.

With warm regards,

Mahesh Jadhav
President, Mahesh Foundation
