A ZOMATO GIVEBACK

A Message from the President

I am delighted to share this monthly report of Mahesh Foundation, filled with gratitude and a sense of accomplishment.

First and foremost, I extend my heartfelt thanks to Feeding India for their unwavering support in our mission to provide nutritious meals to underprivileged children. Your generosity has played a pivotal role in ensuring that no child goes to bed hungry.

With the steadfast support of Feeding India, Mahesh Foundation has been able to continue its efforts in combating hunger and malnutrition. We deeply appreciate your collaboration and commitment to this cause. Together, we are making a meaningful difference in the lives of countless children.

As we move forward, our dedication to this mission remains stronger than ever. With the continued support of Feeding India and our well-wishers, we are confident in our ability to reach even more children and create a brighter, healthier future for them.

Thank you once again for your invaluable support.

Mahesh Jadhav

President, Mahesh Foundation.

Enhancing Nutritional Well-being and Academic Performance Through Consistent Meal Provision

The Daily Feeding Program initiated by Feeding India has proven to be highly effective in combating malnutrition among vulnerable children. By providing well-balanced meals, the program ensures that these children receive essential nutrients necessary for their healthy growth and development. Before the implementation of this program, many children faced malnutrition and its detrimental effects on their physical and cognitive development. Now, with regular access to nutritious meals, these children experience improved health outcomes, enhanced immune systems, and better growth trajectories.

The impact of Feeding India's Daily Feeding Program extends beyond physical health. It has also led to increased school attendance as children are better able to concentrate and participate in educational activities on a full stomach. This initiative has played a crucial role in reducing malnutrition rates and fostering overall well-being among the young beneficiaries. The Mahesh Foundation expresses its profound gratitude to Feeding India for their indispensable support, which has brought about significant positive changes in the lives of these children, contributing to a brighter and healthier future for them.

Impact & Outcomes

- **Health & Nutrition**
The children continue to receive balanced and wholesome meals, improving their overall health and immunity.
- **Attendance & Engagement**
Regular meals have contributed to higher school attendance and active participation in learning activities.
- **Community Impact**
Families of beneficiaries express immense gratitude, as meal support alleviates financial burdens and ensures proper nourishment for children.

FA 4 Exam at Utkarsha School: Students Assessment and Growth.

At Utkarsha School, we conducted the FA 4 (Formative Assessment 4) Exam for our children, providing them with an opportunity to assess their learning progress. The exam was structured to evaluate their understanding of various subjects while encouraging critical thinking and problem-solving skills.

Utkarsha School Celebrates Chhatrapati Shivaji Maharaj Jayanti with Pride and Enthusiasm.

At Utkarsha School, we proudly celebrated Chhatrapati Shivaji Maharaj Jayanti with great enthusiasm. The event honored the legendary warrior and leader, highlighting his bravery, leadership, and contributions to Swarajya. Encouraged the students to follow Shivaji Maharaj's ideals of courage, justice, and determination.

Utkarsha School Students Engage in Vegetable Market Activity to Learn Financial Literacy.

The children at Mahesh Foundation's Utkarsha School enthusiastically participated in a vegetable market activity, where they experienced the real-life concepts of buying and selling. This interactive session helped them understand basic financial literacy, including the value of money, budgeting, and negotiation skills.

Children at Utkarsha School participated in an activity to understand traffic rules..

Children at Utkarsha School actively participated in an activity designed to help them understand traffic rules. Through interactive sessions, role-playing, they learned the importance of road safety, traffic signals, and responsible behavior while commuting. By experiencing real-life scenarios in a controlled environment, they gained valuable knowledge that will help them stay safe on the roads and become responsible citizens.
